

Living on campus is a great place to be! We hope to help you find a place you can call home during your stay at Baylor. We look forward to sharing with you, as an engineering or computer science student, the experience of Baylor's first-ever Living-Learning Center. We want you to strike a balance between the serious intellectual pursuits and social experiences that living with other future engineers and computer scientists will bring to the classroom and living room.

Your selection to the Living-Learning Center will be based on the complete information you provide on this application. Please fill out this online application, complete the 2 essays, and reference form. Write or type your answers directly on the application with attached essays. Additionally, a reference should complete the "Engineering & Computer Science Living-Learning Center (ECS-LLC) Reference Form," attached to the end of this application. At least one reference (you may submit more than one) should be a teacher (preferably math or science) who knows you well. An ECS professor should fill out the reference for continuing ECS students.

Please check whether you are:

☐ **Continuing ECS Student**

☐ **1st-time Freshman Student**

☐ **1st-time Transfer Student**

Application Timeline

Applications to the ECS-LLC for new freshmen and transfer students have priority consideration based upon the date received. **Once accepted, students must make sure they have: (1) deposited to Baylor (2) emailed Adam_Ecklund@baylor.edu or call 254-644-3890 to confirm you will be attending Baylor and living in the LLC.**

- Early Action I status: application received by November 15; applicant notified by December 15. **Students must deposit to Baylor and email or call Adam Ecklund by January 31, 2009 to reserve their space in the ECS-LLC**
- Regular Admission I: application received by February 1; applicant notified by March 1. **Students must deposit to Baylor and email or call Adam Ecklund by January 31, 2009 to reserve their space in the ECS-LLC**
- Regular Admission II: application received after March 1; applicant notified within one month of received application. **Students must deposit to Baylor and email or call Adam Ecklund by January 31, 2009 to reserve their space in the ECS-LLC**

**Acceptance to the ECS-LLC does not guarantee you a space. To reserve your space, one must deposit to the university.*

Every ECS-LLC resident is expected to:

- Meet all requirements necessary to remain in **good academic standing** within the School of Engineering and Computer Science (as stated in the Baylor University Undergraduate catalog).
- Enroll and complete the ECS **Leadership Development Seminar Course** (the LDS course counts as an HP hour).
- **Participate in and contribute to events** planned for ECS-LLC students (meals together, movie nights, guest speakers, etc.).
- Pay the \$40.00 **fee** for programs and activities that specifically benefit LLC students (this fee is added to the semester bill).
- Contribute to an **environment where academics and spiritual growth can flourish.**
- Provide **ALL** roommates and members of the ECS-LLC with **dignity and respect**

Agreement Statement

If accepted, **I agree to uphold the expectations of the School of Engineering & Computer Science Living-Learning Center.** I pledge that I will commit the time and energy needed to make the ECS-LLC a successful experience. I have read the list of requirements for ECS-LLC residents and understand what will be expected of me should I be accepted into the program. I understand that if I change my major from a program offered by the School of Engineering & Computer Science (ECS) to a non-ECS major, or if I fail to meet the requirements listed above, I will be required to move from the ECS-LLC to another residential community.
