

*Astrophysics & Space Science Theory Group
Early Universe Cosmology & Superstrings Group
Gravity, Cosmology & Astroparticle Physics Group
Hypervelocity Impacts & Dusty Plasmas Lab
Space Science Lab/Meyer Observatory*

CASPER Seminar Speakers – Spring 2009

Fridays at 2:00 pm in BSB A.236

January 23, 2009	Eiichiro Komatsu, Chair, Department of Astronomy, UT Austin <i>“The 5-Year Wilkinson Microwave Anisotropy Probe (WMAP) Observations: Cosmological Interpretation “</i>
January 30, 2009	Andreas Tziolas, Doctoral Candidate, Department of Physics, Baylor University <i>“Colliding 3-branes and Formation of Spacetime Singularities in String Theory”</i>
February 6, 2009	Qiang (Bob) Wu, Doctoral Candidate Department of Physics, Baylor University <i>“The Late Cosmic Transient Acceleration of the Universe in the Horava-Witten Heterotic M Theory “</i>
February 13, 2009	Physics Circus
February 20, 2009	Physics Circus
February 27, 2009	Physics Circus Dr. Truell Hyde Presentation @ UT Austin
March 6, 2009	Friday Before Spring Break-No Seminar
March 13, 2009	Spring Break
March 20, 2009	Physics Circus
March 27, 2009	No Seminar
April 3, 2009	Roger Bentson, UT Austin
April 10, 2009	Easter Break

Center for Astrophysics, Space Physics & Engineering Research
One Bear Place 97310, Baylor University • Waco, TX 76798-7310
Main Office: 254.710.3763 (Voice) • 254.710.7309 (FAX)
SSL: 254.867.3208 • 254.867.3180 (Voice) • 254.867.DUST (FAX)
HIDPL: 254.867.3167 (Voice) • www.baylor.edu/~CASPER
A Baylor/TSTC Waco Partnership

*Astrophysics & Space Science Theory Group
Early Universe Cosmology & Superstrings Group
Gravity, Cosmology & Astroparticle Physics Group
Hypervelocity Impacts & Dusty Plasmas Lab
Space Science Lab/Meyer Observatory*

- April 17, 2009 Mr. Brad Walter, Central Texas Astronomical Society
"CCD Photography with Small Telescopes"
- April 24, 2009 David Hough, Chair of Physics
Trinity University
- April 27, 2009 Jim Heath
Elizabeth W. Gilloon Professor of Chemistry,
Caltech
*Research Appreciation Event Sponsored by
the Office of the Vice Provost for Research*
Special Time and Location:
Truett Seminary Great Hall, 4:00 pm
- May 1, 2009 Charles Baylis, Asst. Professor of
Engineering, Baylor University
- May 8, 2009 Final Exams
