“Baylor is, by far, the best school I've ever been to that gives you *opportunities* to get out there and show your research.”

~ Ph.D. Candidate in Geology

Freedom of exploration is the *touchstone* of all great universities.

Larry Lyon

DR. LARRY LYON

Dean of the Graduate School

FACILITIES

Baylor Sciences Building

508,000 sq ft

85 teaching labs

78 research labs

33 classrooms

IBM Media Research Lab

Core Molecular Lab

Mayborn Museum

Student Life Center

McCrary Music Building

Baylor Experimental Aquatic Research

Baylor Advanced Research Institute

Central Libraries

Armstrong Browning Library

Poage Library

The Texas Collection

Library Resources

2,377,787 volumes

2,123,465 microforms

208,283 AV items

31,355 new volumes added

346,866 e-books

46,381 e-journals

379 Web-based resources

2008 figures, University Libraries

fast FACTS

- Founded in 1845
- Largest Baptist university in the world
- 14,541 total enrollment
- 1,300 graduate students
- 11 colleges and schools
(Waco, Dallas, San Antonio, West Point)
- 70 foreign countries represented
- Kiplinger's top 50 "*best values in private colleges*"
- Nationally ranked liberal arts institution

2008 figures, Baylor Institutional Research Office

BAYLOR 2012

Initiated in 2002, Baylor 2012 is the 10-year vision that sets goals for moving Baylor into the upper echelon of higher education. It represents a path to assume a unique leadership position in higher education by adding new faculty, facilities, and programs, all while retaining and remaining grounded in a strong Christian mission.

INSTITUTES

Allbritton Art Institute
Institute for Air Science
Institute for Biblical and Related Languages
Institute for Ecology, Earth, and Environmental Sciences (TIEEES)
Institute for Faith and Learning
Institute for Oral History
Institute for Studies of Religion (ISR)
Institute of Archeology

J. M. Dawson Institute of Church-State Studies

STUDENT ORGANIZATIONS

Graduate Student Association
American Mathematics Society
Graduate Association of School Psychology
Graduate Business Association
Baylor Chemistry Graduate Student Association
Graduate Theological Fellowship
Museum Studies Student Organization
Higher Education Student Affairs Association

“The small class size was the biggest distinction for me.”

~ M.S. Candidate in Information Systems

FINANCIAL AID

Students who choose to pursue graduate studies at Baylor can receive financial assistance from their department and the University, as well as state and federal programs. Funding from the University is offered in the form of:

- Graduate Teaching Assistantships
- Graduate Research Assistantships
- Graduate Fellowships
- Scholarships
- Travel Award given for travel to professional meetings and for doctoral research

Academic Scholarships & Financial Aid: www.baylor.edu/finaid

83% of Baylor graduate students receive some form of financial aid.

TUITION INFORMATION Fall 2009 - Spring 2010

The costs indicated below are only an estimate and may be different from the student's total expenditures. They do not include stipend, tuition remission, or any other funding the student might receive.

Tuition and Required Fees Estimate for 9 Hours

Tuition (\$1,055 per semester hour)	\$9,495
General Student Fee (\$108 per semester hour for less than 12 hours)	\$972
Laboratory/Course Fee (minimum, varies per course)	\$50

Total required tuition and fees \$10,517

GRADUATE ASSISTANTSHIPS, TUITION REMISSION, AND BENEFITS

Many entering graduate students receive some type of graduate stipend, tuition remission, or both. Some students that teach classes or lead lab sections are entitled to health benefits. For specific information regarding the requirements for eligibility for an assistantship, please contact the graduate director of the program to which you are applying.

Check your program of interest for information about tuition waivers and stipends.

For current information on Tuition and Fees, visit the Cashier's Office website:

DEMOGRAPHICS

FALL 2008

1,291 students

Gender

Male 49.2%

Female 50.8%

Minority Status

Minority 27.1%

Non-minority 72.9%

International students 16%

2008 Classifications

Master's students

approximately 60%

Doctoral students

approximately 40%

TEST SCORES

- GRE and GMAT scores are valid for 5 years.
- TOEFL and IELTS scores are valid for 2 years.

LIVING IN WACO

Situated less than one hundred miles from both Austin and Dallas, Waco's area population of 230,000 enjoys a rich and eclectic sampling of the natural landscape, bustling local commerce, and the cultural arts. The backdrop of the city, the Brazos River, serves as the hub for shopping, fine dining, exercise, and cultural enrichment.

"I wanted to come to a program where 'community' was more than an ironic name for a competitive group of scholars. Baylor promised, and has delivered, all of that."

~ Ph.D. Candidate in Philosophy, who served as a visiting professor at Georgetown College in Kentucky
