TOPH WHISNANT

When Toph first found himself in front of a group of students at M-Fuge in Nashville, Tenn., in 2001, he found a calling. He has been sharing his life and the love of Christ with students ever since. God has allowed Toph to share his heart from the West coast to the East coast of the US, in Asia, Africa, and South America. He hopes to conquer Antarctica soon!

Toph has a bachelor’s degree from Carson-Newman College and an MDiv from Baylor’s Truett Theological Seminary. Toph is known for his authenticity and ability to relate to students while helping show with his words and his life the way to live as Christ!

BAYLOR CHAPEL WORSHIP BAND

Chapel at Baylor University is integral to the Christ-centered education offered on our campus. We are honored to have the Chapel Worship band leading our worship experience for Youth Day!
