

BLAKE ALLISON, FACHE
Chief Operating Officer
Baylor Scott & White Quality Alliance

As COO for the BSWQA, Blake spearheads initiatives to support the implementation of the BSWQA mission and participates in strategic collaborations with the system, payers and employer groups. In addition, he oversees the growth and sustainment of the BSWQA provider network to ensure provider adequacy as well as ongoing provider engagement. Blake brings over a decade of experience to the BSWQA team. Blake approaches his role with both optimism and excitement, and believes healthcare is a great way to serve his fellow man and improve the lives touched by the system. In the transitioning state of the industry, Blake is able to draw upon these fundamentals, to identify opportunities to ensure better care through more collaborative models. His scope of experience spans multiple settings including government entities, large integrated delivery systems, ambulatory surgery centers and physician consulting. Blake earned his bachelor's degree from Baylor University and his MS in Healthcare Administration from Trinity University. Blake holds the distinction of Board Certification in healthcare management through the American College of Healthcare Executives.
