

SHATONDA S. JONES, PhD, CCC-L/SLP, CBIST

EDUCATION

Philosophy Doctorate- Therapeutic Science August 2015
The University of Kansas Medical Center, Kansas City, KS
Dissertation: *African American anticipated response to stroke symptoms*. Chair: Jeff Radel, PhD

Master of Arts-Speech Pathology and Audiology May 2005
The University of Iowa, Iowa City, IA
Thesis: *Education and Speech Pathology: Perspectives of Sudanese Parents and Neighborhood Center Staff*. Chair: Linda Louko, PhD, CCC-SLP

Bachelor of Science - Speech Pathology and Audiology May 2003
The University of Tulsa, Tulsa, OK
Achievements: Magna Cum Laude. Double minor in Spanish and Psychology.

OTHER EDUCATIONAL AND SIGNIFICANT EXPERIENCES

Co-Editor Scholarly Journal July 2020 to present
Jesuit Higher Education: A Journal
Achievement: Accepted as Co-Editor of Praxis Section of Journal

CAA Site Visitor (Training) April 2020 (accepted)
Council on Academic Accreditation
Achievement: Accepted to CAA Site Visitor Training (Academic Faculty)

CAPCSD CSD Leadership Academy April 2020 (accepted)
Council on Academic Programs in CSD, Aurora, CO
Achievements: Accepted to the 5th cohort, leadership in higher education

Inaugural ASHA Faculty Development Institute (AFDI) September 2019 (ongoing)
American Speech Language Hearing Association, Rockville, MD
Achievements: in progress

Ignatian Colleagues Program (ICP) Cohort 11 January 2020 (graduated)
American Jesuit Colleges and Universities, Washington, DC
Achievements: Immersion (Nogales, Sonora, Mexico), Silent Retreat, graduate

Korean as a Second Language (KSL) Student at KCKLI September 2019 (ongoing)
Kansas City Korean Language Institute
Achievements: advanced to KSL-2, WOW & Attendance Awards

Certified Brain Injury Specialist Trainer (CBIST) March 2018 (ongoing)
Academy of Brain Injury Specialists
Achievements: Certified brain injury specialist trainer (highest level), Foundations trainer

Successful Aging Mini-Fellowship Program April 2017 (completed)

Stanford University School of Medicine, Stanford, CA

Achievements: Completed a mini-project addressing Ethnogeriatrics with an emphasis in African American older adults. Director: VJ Periyakoil, MD

FULL TIME UNIVERSITY TEACHING EXPERIENCE

Tenured, Associate Professor-Communication Sciences and Disorders 2019-Present
Rockhurst University, Kansas City, MO

Graduate Courses Taught:

- Motor Speech Disorders
- Communication and Swallow Changes in Normal and Disordered Aging
- Swallowing Disorders
- Research
- Advanced Research
- Cognitive Communication Disorders in Adults

Undergraduate Courses Taught:

- Cultural and Linguistic Diversity in CSD
- Ethnography of Communication
- Introduction to Human Communication Disorders
- Anatomy and Physiology of the Speech and Hearing Mechanism
- Clinical Management of Adult Populations
- Independent Study

Assistant Professor-Communication Sciences and Disorders 2015-2019
Rockhurst University, Kansas City, MO

Graduate Courses Taught:

- Motor Speech Disorders
- Communication and Swallow Changes in Normal and Disordered Aging
- Swallowing Disorders
- Research
- Advanced Research
- Cognitive Communication Disorders in Adults

Undergraduate Courses Taught:

- Cultural and Linguistic Diversity in CSD
- Ethnography of Communication
- Introduction to Human Communication Disorders
- Anatomy and Physiology of the Speech and Hearing Mechanism
- Clinical Management of Adult Populations
- Independent Study

Lecturer-Communication Sciences and Disorders 2014-2015
Rockhurst University, Kansas City, MO

Graduate Courses Taught:

- Motor Speech Disorders
- Communication and Swallow Changes in Normal and Disordered Aging
- Swallowing Disorders
- Research
- Advanced Research

Undergraduate Courses Taught:

Ethnography of Communication
Introduction to Human Communication Disorders
Anatomy and Physiology of the Speech and Hearing Mechanism
Clinical Management of Adult Populations

Visiting Instructor- Communication Sciences and Disorders 2011-2014
Rockhurst University, Kansas City, MO

Graduate Courses Taught:

Motor Speech Disorders (traditional and online)
Genetic Bases of Communication Disorders
Aphasia (traditional and online)
Communication and Swallow Changes in Normal and Disordered Aging
Swallowing Disorders
Swallowing Disorders Lab
Cultural and Linguistic Issues in CSD (traditional and hybrid)
Cognitive Communication Disorders
Cognitive Communication Disorders in Acquired Head Injury
Traumatic Brain Injury

Undergraduate Courses Taught:

Clinical Management of Adult Populations
Neural Bases of Human Communication
Freshman in Science Seminar
Ethnography of Communication
Senior Seminar

ADUNCT/PART TIME UNIVERSITY TEACHING EXPERIENCE

Adjunct Instructor-Communication Sciences and Disorders 2020 (summer, fall)
Baylor University, Waco, TX (Online)

Graduate Courses Taught:

Motor Speech Disorders

Adjunct Instructor- Communication Sciences and Disorders
Rockhurst University, Kansas City, MO 2010-2011

Graduate Courses Taught:

Motor Speech Disorders

Undergraduate Courses Taught:

Medical Speech Pathology
Clinical Management of Adult Populations

Jones, S.S. (2012-2013). *Journey to a PhD*. Invited speaker, presented to undergraduate CSD students Rockhurst University, Kansas City, MO.

Jones, S.S. & Koch, C. (2013). *Speech language pathology*. Invited speaker on Central Standard National Public Radio, Kansas City, MO.

Other Presentation and Speaking

Jones, S.S. (2014). *Anticipated response of African Americans to stroke symptoms*. Poster session presented at the annual University of Kansas Medical Center Student Research Forum, Kansas City, KS.

RESEARCH AND OTHER SCHOLARSHIP

Current Research/Projects

Stroke narratives. This research examines stroke survivors' stories of about stroke from onset of symptoms through levels of care. PI.

Aphasia graduate student clinical training. This research examines the effects of intensive aphasia training and graduate students' ability to implement evidence-based treatments. Co-PI.

Erosion of the /ɔ/ phoneme in mid-western English speakers. This project is an ongoing project engaging both graduate and undergraduate students. The project examines if mid-western English speakers can perceive and produce the /ɔ/ as compared to the /ɑ/. PI.

Past Completed Research/Projects

Partnership for aging in the community. A partnership with faith-based communities in the urban black American neighborhoods in Kansas City, MO to examine the needs of the community and build capacity. Member of research team.

Effects of intensive therapy for child with CAS. Effects of an intensive two-day therapy, four to six hours per day, with a two-year-old child diagnosed with CAS. Graduate (Master's) student research. Penny Hall served as research mentor for this project. Co-PI.

Mentored Student Research (A Selected Listing)

McOsker, M. (2016). *Teacher perceptions of SLPs in schools*. Unpublished Master’s capstone, advanced research project, and student technical session presented at the Missouri Speech Language Hearing Association Convention, Lake Ozark, MO.

Czerwinski, V. (2014). *The effectiveness of medical, compensatory, and rehabilitative dysphagia treatments*. Unpublished Master’s capstone and student technical session presented at the Missouri Speech Language Hearing Association Convention, Lake Ozark, MO. Awarded as graduate student research winner.

Smith, H. (2014). *Pragmatic intervention for adolescents with moderate to severe TBI: A systematic review*. Unpublished Master’s capstone and student technical session presented at the Missouri Speech Language Hearing Association Convention, Lake Ozark, MO.

Melton-Sparks, M. (2014). *The effects of CILT and ILT on brain plasticity in stroke patients with chronic aphasia*. Unpublished Master’s capstone and student poster session presented at the Missouri Speech Language Hearing Association Convention, Lake Ozark, MO.

Neri, N. (2014). *Quality of life of patients with dysphagia and their caregivers*. Unpublished Master’s capstone and student poster session presented at the Missouri Speech Language Hearing Association Convention, Lake Ozark, MO. Submitted manuscript to NSSLHA journal.

Metz, W. (2014). *Factors that have a negative effect on language development in infants*. Unpublished Master’s capstone, advanced research project, and student poster session presented at the Missouri Speech Language Hearing Association Convention, Lake Ozark, MO.

Madden, J. (2013). *Gaining insight into the neural processes in the brains of bilinguals during semantic tasks*. Unpublished Master’s capstone and student technical session presented at the Missouri Speech Language Hearing Association Convention, Lake Ozark, MO.
