### **Scope and Content**

The Sam B. Hall, Jr. papers are focused on the period in which he served as a United States House Representative (1976-1985). Materials from his time as a Federal Judge are also present (1985-1994).

The Campaigns series includes items from several parts of the congressional campaign process. Sam Hall faced redistricting while in office, therefore maps and census data used to analyze a new potential district are included in the Redistricting subseries. The Democrats subseries includes Whip Advisories and information provided by the Democratic Study Group, and the Elections subseries includes results, correspondence, advertisements, and official documents filed for election purposes.

The Committees series is divided into five subseries including committee and subcommittee work. The General subseries includes material collected regarding Hall's general interests and not his specific committees; topics include appropriations, agriculture, banking and finance, foreign affairs, and ways and means. The other four subseries cover his work on the Judiciary and Veterans' Affairs Committees and the Select Committees on Narcotics Abuse Control and Ethics.

As a native to the district he served, Congressman Hall was closely involved in the community. The Constituents, District, and Events series document his work and appearances. Alpha files and project files can be found as well as correspondence and invitations to various events. Restricted files are included in the District series.

The Judicial series includes items regarding the 1980 Reagan budget, however the bulk of materials is concentrated on Hall's time as a federal judge. The Legislative series, in addition to the Committees series, make up the bulk of this collection. Legislative papers include bills, correspondence, Dear Colleague letters, program, and project files. Significant legislation in the files includes the Soft Drink Act, Hobbs Act, Simpson-Mazzoli Immigration Reform and Control Act, Immigration and Naturalization Act, and the Vietnamese refugee resettlement bills.

Newsletters, press releases, and radio transcripts can be found in the Press series. The radio transcripts correspond with the reel to reels and cassette tapes found in the Audio-Visual series. The Photographs, Albums, and Scrapbooks series includes visual materials collected throughout Hall's congressional career. Most of the items are evidence of his work visiting the 1st Congressional district as well as hosting constituents and dignitaries in DC. Travel photos are also included.

### **Administrative/Biographical History**

Sam Blakely Hall, Jr. was born in Marshall, Harrison County, Texas, on January 11, 1924. He graduated from Marshall High School in 1940 and obtained an Associate of Arts degree from the College of Marshall (now East Texas Baptist University) in 1942. He then began studying law at the University of Texas.

As most young men did during the time, Hall joined the military and served in the Army Air Corps from 1943-

1945. After his service, he enrolled in the Baylor School of Law and graduated in 1948. Soon after he began to practice in his hometown of Marshall, Texas and did so until 1976.

In 1962 Sam Hall opposed Wright Patman in the Democratic primary to represent the 1st Congressional District but was defeated. Upon Patman's death in 1976, Hall won a special election and began his tenure as a United States Congressional Representative. He attributed this, and five re-elections, to a strong standing in the local community.

During the 94th Legislature Hall served on the Education and Labor Committee as well as the Science and Technology Committee. From the 95<sup>th</sup> to the 99th Legislatures he served on the Judiciary and Veteran's Affairs Committees and the Select Committee on Narcotics Abuse and Control. While on the Judiciary Committee he also served on subcommittees including Criminal Justice; Immigration, Refugees, and International Law; and Administrative Law and Governmental Relations which he chaired from 1982-1984.

As a Congressman Hall traveled with several CODELS, or Congressional Delegations to international locales including Lebanon, Germany, France, and Southeast Asia. His travel corresponded with the work he was doing while on the Judiciary and Veterans' Affairs Committees and the Select Committee on Narcotics Abuse and Control.

Representative Hall was a conservative Texas Democrat. As such, he was one of the founding members of the "Boll Weevils", southern Democrats who often sided with Republicans on national issues. Hall was also a supporter of President Ronald Reagan and his economic plans. This relationship with the Reagan led to Hall's appointment as a federal judge.

In 1985 President Reagan nominated Sam Hall as United States District judge for the Eastern District of Texas. His continued interest in the law, and work on the House Judiciary Committee, kept Hall in contact with the skills needed as a judge. Hall was confirmed as District Judge May 3, 1985, which led to his resignation from the United States House of Representatives on May 27, 1985. He served in this capacity until his death, April 10, 1994.

Sam Hall was married to the former Madeleine Segal and had three daughters: Becky, Amanda, and Sandra. The United States Courthouse and Federal Building in Marshall, Texas is named in his honor.

### **Archival Arrangement**

The Sam B. Hall, Jr. papers were originally processed and described in 1990. A secondary finding aid was created in 1995 to include further description and additional materials acquired after completion of the original finding aid.

The current arrangement has been updated to better align items topically, which led to the restructuring of the original series. There are now fourteen series, most of which have subseries and several with sub-

subseries. The series are: Campaigns; Committees; Constituents; District; Events; Executive; Judicial; Legislative; Personal; Press; Trips; Voting Record; Audio-Visual; Photographs, Albums, and Scrapbooks.

### **Series 1: Campaigns. 1976-1984, undated**

The Campaigns series has been divided into three subseries, Redistricting, Democrats, and Elections, and documents the elections in which Hall participated from 1976-1984.

The Redistricting subseries contains correspondence, news clippings, and oversized maps related to the 1980 census and subsequent rearrangement of Hall's congressional district. Materials show the potential losses and gains that could affect the elections. This subseries is arranged chronologically.

The Democrats subseries is organized chronologically from 1980-1984. It houses reports from the Democratic Study Group (DSG), Whip Advisories, and items from the Democratic Caucus and Democratic National Committee.

The Elections subseries is further divided by election year: 1976, 1978, 1980, 1982, and 1984. Each sub-subseries includes information on opponents, results, news clippings, campaign advertising, and correspondence.

## **Series 2: Committees. 1964-1985**

The Committees series has five subseries: General, Judiciary Committee, Select Committee on Narcotics Abuse and Control, Select Committees on Ethics, and Veterans Affairs Committee, dated 1964-1985.

The General subseries holds committee and subcommittee materials collected by Hall's office from 1982-1985. While Hall was not on most of these committees, their inclusion provides insight into the various interests of Hall while in Congress. This subseries is organized chronologically by topic.

The Judiciary Committee, Select Committee on Narcotics and Abuse Control, Select Committee on Ethics, and Veterans Affairs Committees subseries are reflective of Congressman Hall's committee work while in office. His membership from 1976-1985 was active and challenging as it presented significant and often controversial reform legislation.

Hall's work on the Judiciary Committee is further divided to document his time on the full committee as well as the Immigration Subcommittee, Criminal Justice Subcommittee, and Administrative Law and Governmental Relations Subcommittee. Hall was chairman of the Administrative Law and Governmental Relations subcommittee from 1983-1985. Items of note include criminal code reform (Criminal Justice Subcommittee, 1978-1981), immigration reform (also known as the Simpson-Mazzoli Bill, Immigration Subcommittee, 1981-85), and regulatory reform (Administration and Government Operation Subcommittee, 1983-1985).

### **Series 3: Constituents. 1976-1985**

The Constituent series is made of three subseries. The Alpha Files subseries contains general correspondence, subject files, and printed materials dated 1976-1985. These files are organized alphabetically by topic and year and include items from individuals such as former Texas Governor Mark White, as well as organizations, notably the Associated Milk Producers, Administrative Office of the U.S. Courts, Young Conservatives of Texas, and the Committee for Survival of a Free Congress. Background materials on specific bills and general legislative topics are present and reflect Hall's interests in areas outside his regular committee memberships.

The Recognitions subseries contains correspondence by Congressman Hall to various constituents and colleagues. Contents include Congratulations, regrets, birthday, and anniversary greetings. Responses were sent via telegram or typed letter. Items are organized alphabetically by topic.

Project Cards in this series were kept from 1976-1977. They were used by Sam Hall to track the progress of inquiries made by constituents in his district as well as across Texas and other states. The cards list the inquirer, subject matter, entity that needed to be contacted, responses, and any other ongoing correspondence. The subseries is in alphabetical order; first by county, then by state. Many of these files are of a personal nature, therefore they have been restricted. Please contact an archivist with further questions.

### **Series 4: District. 1964-1986, undated**

The District series, dated 1964-1986, is reflective of activities that took place in Congressman Hall's home district. He maintained district offices in both Paris and Marshall, TX. This series contains material from both locations and is divided into three subseries, Correspondence, City and County Projects, and Publications.

Correspondence is arranged chronologically by subject and reflects topics that were of importance in the district. The subseries is dated 1968-1986. Dates prior to 1976 are reflective of projects carried over from Hall's predecessor, Wright Patman. Some files have been restricted due to their personal content; contact an archivist for further information.

City and County Projects are arranged alphabetically by county, then further divided by city. These files are followed by requests from out of district, then out of state. The bulk of items are dated 1975-1985, but some requests appear as early as 1964 and are projects passed on from the tenure of Wright Patman.

Publications is comprised of a student created magazine, Loblolly. This magazine contains oral histories collected and transcribed by students from Gary High School in Gary, Texas. Most stories cover the life and times of Panola County in the East Texas area. The magazines are ordered chronologically from 1974-1977.

### **Series 5: Events. 1975-2005, undated**

The Events series provides a comprehensive outlook on the activities and engagements attended by Hall as a member of congress and as a private citizen from 1975-1985. Materials are arranged into three subseries: General, Administrative, and Invitations.

General files feature background material, itineraries, and copies of speeches from various events Hall attended within his district and in Washington D.C. Hall was often the honored guest and/or speaker at these events. Administrative materials document Hall's busy schedule. and include appointment books, guest books, speech files, and a Rolodex. Invitations dated 1976-1993 have been randomly sampled and retained as a representation of the types of invitations a member of Congress receives including the nomination hearings for the Supreme Court and presidential inaugurations. All subseries are arranged chronologically and in good condition.

#### **Series 7: Judicial. 1980-1994**

Judicial Files reflect two parts of Sam Hall's career. The Appropriations subseries covers budget issues Hall dealt with as part of his committee work, while all other subseries, Cases, Opinions and Rulings, and Scripts, reflect his work as U.S. District Court Judge of the Eastern District of Texas. Items in this series are dated 1980-1994 and in good condition. Detailed information can be found prior to each subseries.

#### **Subseries 1. Appropriations. 1980**

The Appropriations series is the contents of a binder labeled "The Judiciary, Justification for 1980 Appropriations Estimates." It is the Congressional Submission for Fiscal Year 1980 Budget Estimates. Divider tabs have been retained signifying each part of the budget addressed; folders have been named according to these divisions. Folders are in original order and follow the table of contents.

### **Subseries 2. Cases. 1986-1994**

Judge Hall presided over many different types of cases while on the bench. The Cases subseries is divided into four sub-subseries: Asbestos, Findings of Facts, Stay of Execution, and *USA v. Fredeman*. These are all examples of the high-profile cases presided over by Hall while on the bench.

The Asbestos sub-subseries holds reference materials collected for asbestos related cases filed in the Eastern District of Texas. These items are filed in reverse chronological order by date of original filing and are in good condition.

The Findings of Facts sub-subseries is in the original order from which it was removed from a 3-ring binder. It is in good condition.

The Stays of Execution sub-subseries follows the cases of two defendants, Davis Lee Holland and Maurice Andrews. Materials include motions, writs, summary judgments, and opinions written in relation to the cases. The items are dated 1991-1992, are in the original order from which they were removed from binders, and in good condition.

The *USA v. Fredeman* sub-subseries follows the case of W. F. Fredeman Jr. and includes defendant's motions, summaries of indictments, scripts, and other materials. The sub-subseries is dated 1986-1990 and is in good condition.

### **Subseries 4. Scripts. 1983-1993**

The Scripts subseries is divided into two sub-subseries: General and Jury Charges and Verdict Forms. The General sub-subseries is dated 1985-1990 and contains scripts Judge Hall used during court proceedings. They cover the elements of a criminal hearing from opening to verdict as well as arraignments, pleas, and others. Definitions of terms are also present and arranged alphabetically by year.

Jury Charges and Verdict forms are from multiple cases tried in the span 1983-1993. These forms were followed by Hall as he presented the charges to the jury and read verdicts prepared by the jury. These items were found in nine volumes of 3-ring binders and have been kept in the original order. The subseries is in good condition.

### **Subseries 3. Correspondence. 1976-1984, undated**

The Correspondence subseries consists of constituent letters concerning general legislative issues. The original filing system, which arranged incoming mail according to categories assigned by staff, has been preserved. One copy of the office filing handbook is also included. Letters were assigned to a classification number, (e.g., campaign reform was GD204) to facilitate responding and counting. Categories were apparently developed and assigned based on need, therefore the material is neither alphabetical nor chronological. Mass printed opinion mail, such as post cards, is also included. Only sample copies have been retained along with a count of number received. The subseries is dated 1978-1982, and in good condition.

## Series 10: Press. 1976-1985, undated

The Press series is compiled of newsletters, press releases, radio transcripts, and speeches dated 1976-1985. Newsletters, Press releases, and Speeches are arranged by year while Radio Transcripts are arranged alphabetically by topic as they are not dated.

Newsletters were sent out by Hall to constituents keeping them informed of his participation in Congress. They included updates on current issues and were also a means to notify those in his district of publications and other items that may be of interest. Letters are arranged by year then, where appropriate, followed by background materials and drafts by issue. Background and draft materials are only present for dates 1977-1980.

Press Releases are arranged chronologically by two categories, General and White House. General releases were distributed by Sam Hall or his office as examples of his activities including committee work and travel among other topics. White House releases were distributed directly by the White House Press Office to share with press and constituents on the national level. Examples include several addresses by Ronald Reagan on the State of the Union and federal budget concerns.

Sam Hall sent weekly "Congressional Reports" to his home district for broadcast over the radio on KADO, Texarkana, TX. Reports addressed topics relevant to the district ranging from Budgets to Social Security. These transcripts are not dated; therefore, they are arranged alphabetically by topic, not chronologically. Radio broadcasts of these reports were suspended in 1983.

The Speeches subseries is dated 1977-1981. Although small, multiple topics are covered including Soviet nuclear power, Religion, and the Reagan budget. It should be noted that background information on topics is included in these files as well as copies of speeches given by others than Congressman Hall. Speeches are organized in chronological order.
