

# Baylor University

## ROBBINS COLLEGE OF HEALTH AND HUMAN SCIENCES Physical Therapy

### Accepted Courses for Program Prerequisites

| Course Subject          | Course Level       | Lab Requirement | Credit Hours Required                         | Acceptable Courses  | Comments |
|-------------------------|--------------------|-----------------|---|---|----------|
| Anatomy & Physiology I  | General or College | Required        | Semester Hour (SH): 4<br>Quarter Hour (QH): 6 | A&P: Advanced<br>A&P: Animal<br>A&P: COMBINED Course (eg, A&P)*<br>A&P: Human<br>A&P: Mammalian<br>A&P: Physiology<br>A&P: SEPARATE courses<br>A&P: Vertebrate  |          |
| Anatomy & Physiology II | General or College | Required        | SH: 4<br>QH: 6                                | A&P: Advanced<br>A&P: Animal<br>A&P: COMBINED Course (eg, A&P)*<br>A&P: Human<br>A&P: Mammalian<br>A&P: Physiology<br>A&P: SEPARATE courses<br>A&P: Vertebrate  |          |
| Biology I               | General or College | Not Required    | SH: 3<br>QH: 4                                | A&P: Exercise Physiology<br>A&P: Neuroanatomy<br>A&P: Neurophysiology<br>A&P: Pathophysiology<br>Biology: Advanced<br>Biology: Cell<br>Biology: Embryology<br>Biology: General I<br>Biology: Genetics<br>Biology: Histology<br>Biology: Immunology<br>Biology: Microbiology<br>Biology: Molecular<br>Biology: Zoology |          |

|                               |                    |              |                |  |   |
|-------------------------------|--------------------|--------------|----------------|--|---|
| Biology II                    | General or College | Not Required | SH: 3<br>QH: 4 | A&P: Exercise Physiology<br>A&P: Neuroanatomy<br>A&P: Neurophysiology<br>A&P: Pathophysiology<br>Biology: Advanced<br>Biology: Cell<br>Biology: Embryology<br>Biology: General II<br>Biology: Genetics<br>Biology: Histology<br>Biology: Immunology<br>Biology: Microbiology<br>Biology: Molecular<br>Biology: Zoology |   |
| Chemistry I                   | General or College | Required     | SH: 4<br>QH: 6 | Chemistry I<br>Chemistry: Biochemistry<br>Chemistry: Inorganic<br>Chemistry: Organic   |   |
| Chemistry II                  | General or College | Required     | SH: 4<br>QH: 6 | Chemistry II<br>Chemistry: Biochemistry<br>Chemistry: Inorganic<br>Chemistry: Organic  |   |
| English Composition / Writing | General or College | N/A          | SH: 3<br>QH: 4 | English Composition<br>English Composition I<br>English Composition II<br>Technical Writing<br>Writing   |   |
| Physics I                     | General or College | Required     | SH: 4<br>QH: 6 | Physics I  | Calculus or non-calculus based physics courses accepted.        |
| Physics II                    | General or College | Required     | SH: 4<br>QH: 6 | Physics II   | Calculus or non-calculus based physics courses accepted.        |
| Psychology                    | General or College | N/A          | SH: 3<br>QH: 4 | Psychology: Any  |   |
| Psychology                    | General or College | N/A          | SH: 3<br>QH: 4 | Psychology: Abnormal<br>Psychology: Developmental<br>Psychology: Growth & Development<br>Psychology: Life Span Development   |   |
| Statistics                    | General or College | N/A          | SH: 3<br>QH: 4 | Biology: Biostatistics<br>Business: Statistics<br>Mathematics: Statistics<br>Psychology: Statistics  | A calculus or non-calculus based statistics course is accepted. |
