

DEPARTMENT OF ENVIRONMENTAL HEALTH & SAFETY
Declaration of Pregnancy

In accordance with NRC regulations in 10 CFR 20.1003 and 20.1208, a pregnant woman who wishes to control radiation dose to the fetus/embryo resulting from occupational exposure, must voluntarily and, in writing, declare her pregnancy to her employer, so that the employer may apply the fetal dose limits set forth in 20.1208.

The Nuclear Regulatory Commission requires that the estimated date of conception be provided to allow the employer to calculate the cumulative fetal dose.

In accordance with 10 CFR 20.1003 and 20.1208, I am declaring my pregnancy. The estimated date of conception is _____.

Signature _____ Date _____

(PLEASE PRINT)

Name _____

Baylor ID Number _____

Department _____

Supervisor/PI _____

Email address _____

Phone _____

Are you occupationally exposed to sources of radiation at a place of work other than Baylor University? Yes No

If yes, please provide the name and address of any other places of work:

Return by campus mail to: EHS Radiation Safety, One Bear Place #97290. You can also email this form to Karalyn_Humphrey@baylor.edu
