NOTE-TAKING FOLDABLE

*Run front to back. (Place pages horizontally on paper feed.)

*Fold on solid lines and cut on dotted lines.

Each flap folds open and provides space for students to write their thoughts while reading.

Students can add the title of the text and important images to middle of the foldable.

After reading and writing about a text, students can use the foldable as a reference as they plan book talks or share with partners. Great for note-taking when reading for Book Clubs or Literature Circles.
