- Once you have all your documents, here are the steps to take:
 1. Go to the Waco DMV (Exit 342A), and fill out an affidavit and application form
 2. You will be given a number that will then be shown on a screen, and once your number is on the screen you will meet with a representative to submit your documents to be scanned. Waiting for your number's turn can take anywhere from 30 minutes to an hour.
 3. Once your documents have been submitted and approved, you will then set up an appointment for the actual driving test.
 4. Make sure to arrive at least 15-20 minutes before the scheduled appointment – DO NOT BE LATE!
 5. Remember to be calm, careful and safe while taking the test.

- Things to Know:
 - Practice with a car that is either under your name, or one with liability insurance that covers you.
 - Make sure that the car you use (if not your own) is owned by someone who is 21 years or older

Good Luck and Drive Safely!
