The North Dallas Pre-Dent Summer Internship is for Health Science Studies pre-dent majors only. Interns will complete a 6-week internship consisting of weekly rotations through various areas of specialty. Students will be responsible to complete weekly assignments and an internship project assigned by the faculty advisor, Dr. Tricia Blalock.

If interested in applying, students must meet the following criteria:

- Students must have earned 60 hours of credit by end of spring semester 2020.
- Students must be a serious candidate for pursuit of and application to dental school.
- Students accept responsibility for finding their own housing/lodging as well as transportation to and from the various clinics
  - Clinics are located in the Plano/Frisco area
- Students will submit an online application; application deadline is 11:59 pm on Wednesday 12/4/19.

Students will be notified of their acceptance to the internship by Friday 1/17/2020.
