

Baylor University

ROBBINS COLLEGE OF HEALTH AND HUMAN SCIENCES
Health, Human Performance, and Recreation

Master of Athletic Training

PROGRAM HIGHLIGHTS

- Students work with sports medicine health professionals caring for Division 1 sports teams in the Big 12 Conference.
- AT faculty have over 15 years of clinical experience in both collegiate and professional sports settings.
- Students gain experience at local high schools, orthopedic clinics and military rehabilitation facilities.
- The program has continually exceeded the national average for first time pass rate for Board Certification exam.

FINANCIAL SUPPORT

All students who are accepted and enroll in the program will receive a 40 - 45% tuition remission.

WHO CAN APPLY?

- Undergraduate students at Baylor can enroll in a joint degree program linking Health Science Studies (Pre-AT Track) and MAT degree programs and receive two degrees in five years.
- Students with bachelor's degree from another institution with necessary prerequisite coursework can apply as a traditional graduate student.

Application deadline: Applications are reviewed on a rolling basis. The last day for reviewing applications is the first Friday of April.

Submit your application at <https://grad.baylor.edu/apply/>
