An award given to the student who earned the highest grade in both semesters of General Biology.

RELEVANT EXPERIENCE

Teaching Assistant | Northwest Nazarene University | August 2016 to May 2017

Department of Art and Graphic Design, Jamie Tucker and Amy Gilles

- Served as the darkroom photography lab monitor, which entailed mixing chemicals, keeping inventory, keeping lab clean, and keeping track of equipment.

- Held office hours (5 a week) to help students with their photography, guiding them through any problems they encountered.
- Graded written photography and graphic design assignments such as quizzes and worksheets.
- Served as TA for Survey of Art and Music, grading the written assignments of the art portion of the course such as quizzes and exams.

Teaching Assistant | Northwest Nazarene University | January 2014 to May 2014

Department of Biology, Dr. Ron Strohmeyer and Dr. Leslie Hay

- Ran study sessions for General Biology.
- Graded General Biology exams and homework for lab and lecture.
- Helped lab instructor with lab set-up and instruction during lab.

INBRE Summer Scholars | Northwest Nazarene University | June 2012

A two-week research program at Northwest Nazarene University focused on DNA barcoding and bioinformatics. I participated while I was a junior in high school. The two resulting gene sequences were published on GenBank.
