## CHARLES MCDANIEL

Charles\_McDaniel@baylor.edu

---

### EDUCATION

**Baylor University** – Doctor of Philosophy in Church-State Studies (2002), an interdisciplinary program combining political science, religion, history, and philosophy. Concentration in the history of Christian social thought, with emphases on the Protestant Reformation and Christian Realism.

- Doctoral fellowship in the Dawson Institute of Church-State Studies (Fall 1998 through Spring 2001).
- Teaching assistantship (Fall 2001 and Spring 2002 semesters).
- Comprehensive examination areas: Church and State in the United States; Capitalism and American Civil Religion; American Christian Churches and the Bioethics Debate; and, Christian Responses to Technological Change in the Twentieth Century.
- Dissertation examined the economic thought of Protestant theologian Reinhold Niebuhr and presented it as a response to the rise of libertarianism in American Christianity and its philosophical reliance on the principles of Austrian liberalism.

**University of Missouri - Kansas City** - Master of Arts in Economics (1995)

Emphasis in institutional economics and the labor/technology relationship in complex organizations. Research on the impact of new technologies on opportunistic behavior in high-tech firms presented at the Society for the Advancement of Socio-Economics (SASE) annual meeting in Geneva, Switzerland in August 1995.

**Baylor University** - Bachelor of Business Administration in Management/Statistics (1980)

### RESEARCH INTERESTS

American Christian economic thought; Christian realism; Islamic economics; Christian ethics and technology; Christianity and Eugenics

### ACADEMIC/TEACHING EXPERIENCE

**Associate Professor, Baylor Interdisciplinary Core, Baylor University:** Responsible for coordinating and teaching “Social World II: Modernity and the Problem of Order,” teaching “Social World I: The City and the Soul,” “World Cultures IV: America in the World,” “Biblical Heritage and Contemporary Ethical Issues,” and a capstone course, “The Moral Ecology of Capitalism.” Directed the Baylor in St. Andrews Study Abroad Program in the fall 2017. Direct honors theses and participate in thesis defenses as needed.

**Associate Director and Lecturer/Assistant Professor, J. M. Dawson Institute of Church-State Studies, Baylor University (March 2007-2013).** Responsibilities:

- Worked with the director in developing the degree requirements, curriculum, and academic guidelines for a secondary degree track to the church-state program entitled “Religion, Politics, and Society.”
- Worked with the director in developing departmental strategic plans and budget projections.
- Major contributor to the development of tenure guidelines/peer evaluation process and associated documentation for the department.
- Served as Book Review Editor for the *Journal of Church and State* (this position continues)
- Founder of the Dawson Institute’s Islam and Democracy Project; development of the Islam and Democracy Website and an undergraduate course in Islam and politics
- Served on thesis, dissertation, and comprehensive examination committees for graduate students
- Served as representative on administrative committees for the Dawson Institute
- Directed graduate and undergraduate readings courses for students in topics including domestic and international church-state relations, political philosophy, and the politics of Islam.
- Assisted in the academic advisement of the Dawson Institute’s graduate students.
- Assisted in student recruitment and applicant screening and selection processes for the masters and doctoral programs.

Charles McDaniel

- Major contributor to the “Needs Assessment” document for the department’s doctoral program
- Helped to organize the Dawson Institute’s 50<sup>th</sup> Anniversary Celebration.

**Visiting Assistant Professor, Dawson Institute of Church-State Studies (July 2002-March 2007); Lecturer (March 2007-August 2008):** Responsibilities included teaching graduate seminars and undergraduate courses in Church history, Christian ethics, the politics of Islam, and law and religion in the United States.

### **Past Classroom Instruction**

- “Philanthropy and the Public Good”: Taught students the principles of philanthropy and worked with student teams responsible for awarding \$56,000 in grants to non-profits in Central Texas
- “Islam and Democracy”: Examined the evolution of political philosophy and institutions in Islamic culture and the compatibility of democratic institutions with various forms of Islamic law.
- “Seminar on Church and State in the United States”: Covered the transformation of American legal and religious culture, including the debates surrounding the development of the religion clauses of the First Amendment and the impact of the Supreme Court’s Establishment and Free Exercise cases.
- “Law and Religion in the United States”: undergraduate equivalent of Church and State in the U.S.
- “The Paradox of Power and Justice”: Honors/graduate course that surveyed the development of Western political theory in the context of varying expressions of social justice by Christian theologians and ethicists from Thomas Aquinas to Reinhold Niebuhr.
- “Seminar on the History of Church and State in the West”: Explored the interaction between institutions of church and state from the classical period to the Protestant Reformation.
- “Seminar on Church and State in the Reformation Era”: Surveyed the theology and social thought of Luther, Calvin, Zwingli, and the radical reformers, observing their influence in the development of European nation-states and their contributions to social philosophy.
- “Biblical Heritage and Contemporary Ethical Issues”: Taught in conjunction with the Baylor Interdisciplinary Core, the course combines a section on Biblical studies with a survey of Christian ethics, emphasizing classic and contemporary works by Catholic and Protestant ethicists.
- “Habitat for Humanity”: A citizenship and community service class that explores NGO involvement in low-income housing (emphasizing Habitat for Humanity); both classroom and service components

### **Publications**

#### *Books*

- *Civil Society and the Reform of Finance: Taming Capital, Reclaiming Virtue* (Routledge, 2015)
