Who is eligible for this insurance?
The following people are eligible: All active full-time employees working a minimum of 30 hours per week.
The Waiting Period is shown in the Schedule of Benefits.

When does Your Noncontributory insurance become effective?
If You are an eligible Employee, Your Noncontributory coverage under the Policy will become effective upon completion of the Waiting Period, if any, shown in the Schedule of Benefits, provided you are Actively at Work on that day.
If You waive all or a portion of Your Noncontributory coverage and choose to enroll at a later date, You are considered a late applicant and must furnish Evidence of Insurability satisfactory to Us before coverage can become effective. Coverage will become effective on the date We determine that the Evidence of Insurability is satisfactory and We provide written notice of approval.
You must be Actively at Work for coverage under the Policy to become effective. If, because of Injury or Sickness, You are not Actively at Work on the date the insurance would otherwise take effect, it will take effect on the day You return to Active Work.
Noncontributory means the Policyholder pays 100% of the premium for this insurance.

When does Your Contributory insurance become effective?
Your Contributory coverage will become effective on the latest of the following dates, provided You are Actively at Work on that date:

1. If there is no Waiting Period, the date You are eligible for coverage, if You enroll for coverage on or before that date;
2. If You sign the Enrollment Form after the end of the Waiting Period, but within 31 days after that day, Your coverage will become effective on the date You sign the Enrollment Form.
3. If You sign the Enrollment Form following this 31-day period, You are considered a late applicant and must furnish Evidence of Insurability satisfactory to Us before coverage can become effective. Coverage will become effective on the date We determine that the Evidence of Insurability is satisfactory and We provide written notice of approval.
You must be Actively at Work for coverage under the Policy to become effective. If, because of Injury or Sickness, You are not Actively at Work on the date the insurance would otherwise take effect, it will take effect on the day You return to Active Work.
Contributory means You pay all or a portion of the premium for this insurance coverage.

Enrollment Form means the application You complete to apply for coverage under the Policy.

Who pays for Your coverage?
The Policyholder pays the entire cost of Your coverage.
Do You have to pay premium while You receive benefits?

We will waive premium for You during a period of Disability for which the LTD Monthly Benefit is payable under the Policy. Premium payment is required during Your Elimination Period or any other period when the LTD Monthly Benefit is not payable under the Policy.

What happens if We are replacing an existing Policy?

Effect on Actively at Work requirement

If You were insured under the Prior Policy on the day before the Policy Effective Date, You may be covered by the Policy even if You do not satisfy the Actively at Work requirement as stated in the When does insurance become effective? provision and You would otherwise be eligible to become insured under the Policy, We will provide limited coverage under this Plan. Coverage under this provision will begin on the Policy effective date and will continue until the earliest of:

1. The end of the month following the date You become Actively at Work;
2. The end of any period of continuance or extension provided under the Prior Policy; or
3. The date coverage would otherwise end, according to the provisions of the Policy.

Your coverage under this provision is subject to payment of premium.

Effect on Benefits

If You do not satisfy the Actively at Work requirement, You may still be eligible for benefits under the Policy as follows:

The benefits payable under the Policy will be the benefits which would have been payable under the terms of the Prior Policy if it had remained in force; and the benefits payable under the Policy will be reduced by any benefits payable under the Prior Policy for the same Disability for which the prior carrier is liable.

The Prior Policy is the group disability insurance policy issued to the Policyholder whose coverage terminated immediately prior to the Policy Effective Date.

Effect on Pre-existing Conditions

If You have a Disability due to a Pre-Existing Condition after the Prior Policy has been replaced by this Plan, Benefits may be payable if:

1. You were insured under the Prior Policy at the time the Policyholder changed coverage from the Prior Policy to the Policy; and
2. You have been continuously insured under this Plan from the effective date of this Plan until the date Your Disability began.

In order for benefits to be paid, You must satisfy the Pre-Existing Condition exclusion under:

1. this Plan; or
2. the Prior Policy, if benefits would have been paid had the Prior Policy remained in force.

If You satisfy the Pre-Existing Condition exclusion of this Plan, We will determine Your payments according to this Plan’s provision.

If You do not satisfy the Pre-Existing Condition exclusion of this Plan, but You do satisfy the Pre-Existing Condition provision under the Prior Policy:

1. Your Monthly Benefit will be the lesser of:
   a. The Monthly Benefit that would have been payable under the terms of the Prior Policy if it had remained in force; or
   b. The Monthly Benefit under this Plan.

2-LTDC-412
2. Benefits will end on the earlier of:
   a. The date benefits end under the Policy, as described under the Maximum Period Payable; or
   b. The date benefits would have ended under the Prior Policy if it had remained in force.

If You do not satisfy the Pre-Existing Condition exclusion under either this Plan or the Prior Policy, We will not make any payments.

We will require proof that You were insured under the Prior Policy.

LONG TERM DISABILITY BENEFITS

How do We define Total Disability?

Total Disability or Totally Disabled means that during the first 24 consecutive months of benefit payments due to Sickness or Injury;

1. You are continuously unable to perform the Material and Substantial Duties of Your Regular Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

If school is in session, Total Disability or Totally Disabled means that during the first 24 consecutive months of benefit payments due to Sickness or Injury;

1. You are continuously unable to perform the Material and Substantial Duties of Your Regular Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

If school is not in session Total Disability or Totally Disabled means that during the first 24 consecutive months of benefit payments due to Sickness or Injury;

1. You would be unable to perform the Material and Substantial Duties of Your Regular Occupation if school were in session, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

After the LTD Monthly Benefit has been paid for 24 consecutive months, Total Disability or Totally Disabled means that due to Injury or Sickness:

1. You are continuously unable to engage in any Gainful Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

How do We define Partial Disability?

Partial Disability or Partially Disabled means that:

1. During the Elimination Period You are unable to perform all of the Material and Substantial Duties of Your Regular Occupation.
2. During the first 24 consecutive months of benefit payments, due to Injury or Sickness You are unable to perform all of the Material and Substantial Duties of Your Regular Occupation, and Your Disability Earnings, if any, are at least 20% but less than or equal to 80% of Your pre-disability Indexed Monthly Earnings.
3. After the LTD Monthly Benefit has been paid for 24 consecutive months Partial Disability or Partially Disabled means that due to Injury or Sickness, You are unable to engage in any Gainful Occupation; and Your Disability Earnings, if any, are at least 20% but less than or equal to 80% of Your pre-disability Indexed Monthly Earnings.
If school is in session, **Partial Disability or Partially Disabled** means that during the first 24 consecutive months of benefit payments due to **Sickness or Injury**;

1. You are unable to perform the **Material and Substantial Duties of Your Regular Occupation**, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

If school is not in session **Partial Disability or Partially Disabled** means that during the first 24 consecutive months of benefit payments due to **Sickness or Injury**;

1. You would be unable to perform the **Material and Substantial Duties of Your Regular Occupation if school were in session**, and
2. Your Disability Earnings if any are less than 20% of Your pre-disability Indexed Monthly Earnings.

**Loss of Professional License or Certification**

If You require a professional license or certification for Your occupation, loss of that professional license or certification does not in and of itself constitute Disability.

**What is the Elimination Period and how is it satisfied?**

The **Elimination Period** is a period of continuous Disability which must be satisfied before You are eligible to receive benefits from Us. It is shown in the Schedule of Benefits and begins on Your Date of Disability.

If You temporarily recover and return to work, We will treat Your Disability as continuous if You return to work for a period of less than or equal to one-half the Elimination Period rounded up to the next whole number, not to exceed 90 days. The days that You are not Disabled will not count toward Your Elimination Period.

If You return to work for a period greater than one-half the Elimination Period, or 90 days, whichever is less, and become Disabled again, You will have to begin a new Elimination Period.

**Can You satisfy Your Elimination Period if You are working?**

You can satisfy Your Elimination Period if You are working, provided You meet the definition of Disability.

**What Disability Benefit are You eligible to receive?**

If You are Disabled, You are eligible to receive one of the following at any given time:

1. an LTD Monthly Benefit; or
2. a Work Incentive Benefit; or
3. Rehabilitation Incentive Income.

While You are Disabled, You might be eligible to receive one or the other of the above, but You cannot receive more than one of these benefits at the same time.

**What is Your LTD Monthly Benefit and how is it calculated?**

Your LTD Monthly Benefit will be based on Your Monthly Earnings as reported to Us by the Policyholder and for which premium has been paid.

An LTD Monthly Benefit will be payable after the end of the Elimination Period if You are Disabled. We will calculate Your Gross LTD Monthly Benefit amount as follows:

1. Multiply Your Monthly Earnings by 60%.
2. The maximum Gross LTD Monthly Benefit is $15,000.00.
3. Compare the answers from Item 1 and Item 2. The lesser of these two amounts is Your Gross LTD Monthly Benefit.

4. Subtract the Deductible Sources of Income from Your Gross LTD Monthly Benefit. The resulting figure is Your Net LTD Monthly Benefit.

5. Compare the answer from item 3 and 4.

The lesser amount figured in item 5 is Your Monthly Benefit.

If a benefit is payable for less than one month, it will be paid on the basis of 1/30th of the Net LTD Monthly Benefit for each day of Disability.

How do We define Monthly Earnings?

Monthly Earnings means Your gross monthly income from Your Employer in effect just prior to Your Date of Disability. It includes Your total income before taxes and any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. Monthly Earnings does not include income actually received from commissions, and bonuses, overtime pay, or any other extra compensation, or income received from sources other than Your Employer.

If You are paid hourly, Your Monthly Earnings is based on your hourly pay rate multiplied by the number of hours You are regularly scheduled to work per month, but not more than 173 hours. If You do not have regular work hours, Your Monthly Earnings is based on the average number of hours You worked per month during the preceding 12 calendar months (or during Your period of employment if less than 12 months), but not more than 173 hours.

What are the Deductible Sources of Income?

1. Disability benefits paid, payable, or for which You are eligible under:
   a. The Social Security Act, including any amounts for which Your dependents may qualify because of Your Disability;
   b. Any Workers’ Compensation or Occupational Disease Act or Law, or any other law which provides compensation for an occupational Injury or Sickness;
   c. Occupational accident coverage provided by or through the Policyholder;
   d. Any Statutory Disability Benefit Law;
   e. The Railroad Retirement Act;
   f. The Canada Pension Plan, Quebec Pension Plan, or any other similar disability or pension plan or act;
   g. The Canada Old Age Security Act;
   h. Any Public Employee Retirement System Plan, or any State Teachers’ Retirement System Plan, or any plan provided as an alternative to any of the above acts or plans;
   i. Title 46, United States Code Section 688 et seq (The Jones Act);
   j. Title 33, United States Code Section 901 et seq (Longshore and Harbor Workers’ Compensation Act).
2. **Disability** benefits paid, payable, or for which You are eligible under:
   a. Any group insurance plan provided by or through the Policyholder, and
   b. Any sick leave or salary continuance plan provided by or through the Policyholder which causes the Net Monthly Benefit, plus Deductible Sources of Income and any salary continuation to exceed 100% of Your pre-disability Indexed Monthly Earnings. The amount in excess of 100% of Your pre-disability Indexed Monthly Earnings will be used to reduce Your Net Monthly Benefit.

3. Retirement benefits paid under the Social Security Act including any amounts for which Your dependents may qualify because of Your retirement;

4. Retirement and **Disability** benefits paid under a Retirement Plan provided by the Policyholder except for amounts attributable to Your contributions;

5. **Disability** benefits paid under any No Fault Auto Motor Vehicle coverage;

6. Amounts received from a third party after subtracting attorney’s fees by judgment, settlement or otherwise, not to exceed 50% of the net settlement.

**Proration of Lump Sum Awards**

If any Deductible Source of Income described above is paid in a single sum through compromise settlement or as an advance on future liability, We will determine the amount of reduction to Your Gross LTD Monthly Benefit as follows:

1. We will divide the amount paid by the number of months for which the settlement or advance was provided; or

2. If the number of months for which the settlement or advance is made is not known, We will divide the amount of the settlement or advance by the expected remaining number of months for which We will provide benefits for Your Disability based on the Proof of Disability which We have, subject to a maximum of 60 months.

**What other sources of income are not deductible?**

We will not reduce Your Gross LTD Monthly Benefit by any of the following:

1. deferred compensation arrangements such as 401(k), 403(b) or 457 plans;

2. credit disability insurance;

3. pension plans for partners;

4. military pension and disability income plans;

5. franchise disability income plans;

6. individual disability income plans;

7. a Retirement Plan from another Policyholder;

8. profit sharing plans;

9. thrift or savings plans;

10. individual retirement account (IRA);

11. tax sheltered annuity (TSA);

12. stock ownership plan.

**Work Incentive Benefit**

A Work Incentive Benefit will be payable if You are Disabled and Gainfully Employed after the end of the Elimination Period, or after a period during which You received LTD Monthly Benefits.

The Work Incentive Benefit will be calculated during the first 12 months of disability payments while You are Gainfully Employed as follows:
1. The Gross Monthly Benefit amount and Disability Earnings amount will be added together and compared to pre-disability Indexed Monthly Earnings.

2. If the total amount in Item 1 exceeds 100% of pre-disability Indexed Monthly Earnings, the Work Incentive Benefit amount will be equal to the LTD Monthly Benefit reduced by the amount of the excess.

3. If the total amount in Item 1 does not exceed 100% of pre-disability Indexed Monthly Earnings, the Work Incentive Benefit will be equal to the LTD Monthly Benefit amount.

After the first 12 months of disability payments while You are Disabled and Gainfully Employed, the Work Incentive Benefit will be equal to the Monthly Benefit amount reduced by 50% of Disability Earnings.

The Work Incentive Benefit will cease on the earliest of the following:
1. the date You are no longer Disabled; or
2. the end of the Maximum Period Payable.

What is the minimum Net LTD Monthly Benefit payable under the Policy?

The Net LTD Monthly Benefit payable for Disability will not be less than $100.00 or 10% of Your Gross LTD Monthly Benefit, whichever is greater. The minimum Net LTD Monthly Benefit does not apply if You are Gainfully Employed.

What happens if Your Deductible Sources of Income increase?

The Net LTD Monthly Benefit will not be further reduced for subsequent cost-of-living increases which are paid, payable, or for which You or Your dependents are eligible under any Deductible Source of Income shown above.

How long will You receive benefits under the Policy?

We will send You a payment for each month of Disability up to the Maximum Period Payable as shown in the Schedule of Benefits. Payment of benefits is also subject to any benefit duration limitation pertaining to Your Disability.

What happens if Your Disability recurs?

If Disability for which benefits were payable ends but recurs due to the same or related causes less than 6 months after the end of a prior Disability, it will be considered a resumption of the prior Disability. Such recurrent Disability shall be subject to the provisions of the Policy that were in effect at the time the prior Disability began.

Disability which recurs more than 6 months after the end of a prior Disability is subject to:
1. a new Elimination Period;
2. a new Maximum Period Payable; and
3. the other provisions of the Policy that are in effect on the date the Disability recurs.

Disability must recur while Your coverage is in force under the Policy.

If the Policyholder has approved more than one type of leave of absence for You during any one period that You are not Actively at Work We will consider such leaves to be concurrent for the purpose of determining how long Your coverage may continue under the Policy.

If Your coverage is not continued during an FMLA or State FML leave of absence, and You become Actively at Work immediately following the end of Your FMLA or State FML leave of absence, Your coverage will be reinstated. We will not apply a new Waiting Period, require Evidence Of Insurability, or apply a new Pre-existing Condition limitation.

6. The extent of Your Disability, including restrictions and limitations which are preventing You from performing Your Regular Occupation.
8. If You were contributing to the premium cost, the Policyholder must supply proof of Your appropriate payroll deductions.
9. The name and address of any Hospital or Health Care Facility where You have been treated for Your Disability.
10. If applicable, proof of incurred costs covered under other benefit provisions in the Policy.
Continuing Proof of Disability

You may be asked to submit proof that You continue to be Disabled and are continuing to receive Appropriate and Regular Care of a Doctor. Requests of this nature will only be made as often as reasonably necessary, but not more frequently than once every 3 months. If required, this will be at Your expense and must be received within 45 days of Our request. Failure to comply with such a request may delay, suspend or terminate Your benefits.

Examination

At Our expense, We have the right to have You examined as often as reasonably necessary while the claim continues. Failure to comply with this examination may result in denial, suspension or termination of benefits, unless We agree You have a valid and acceptable reason for not complying.

Authorization and Documentation You will be asked to supply

1. You will be required to provide signed authorization for Us to obtain and release all reasonably necessary medical, financial or other non-medical information in support of Your Disability claim. Failure to submit this information may deny, suspend or terminate Your benefits.

2. You will be required to supply proof that You have applied for other Deductible Sources of Income such as Workers’ Compensation or Social Security Disability benefits, when applicable.

3. You will be required to notify Us when You receive or are awarded other Deductible Sources of Income. You must tell Us the nature of the Deductible Source of Income, the amount received, the period to which the benefit applies, and the duration of the benefit if it is being paid in installments.

Time of Payment of Claim

As soon as We have all necessary substantiating documentation for Your Disability claim, We will pay Your benefit on a monthly basis, so long as You continue to qualify for it.

We will pay benefits to You unless otherwise indicated. If You die while Your claim is open, any due and unpaid Disability benefit will be paid, at Our option, to the surviving person or persons in the first of the following classes of successive preference beneficiaries: Your: 1) Spouse; 2) children including legally adopted children; 3) parents; or 4) Your estate.

If any benefit is payable to an estate, a minor or a person not competent to give a valid release, We may pay up to $1,000 to any relative or beneficiary of Yours whom We deem to be entitled to this amount. We will be discharged to the extent of such payment made by Us in good faith.

00049

Can You assign Your benefits?

Your benefits are not assignable, which means that You may not transfer Your benefits to anyone else.

What will happen if a claim is overpaid?

A claim overpayment can occur when You receive a retroactive payment from a Deductible Source of Income when We inadvertently make an error in the calculation of Your claim; or if fraud occurs. The overpayment amount equals the amount We paid in excess of the amount We should have paid under the Policy.

We have the right to recover from You any amount that is an overpayment of benefits under the Policy. You must refund to us the overpaid amount. We may also, without forfeiting our right to collect an overpayment through any means legally available to Us, recover all or any portion of an overpayment by reducing or withholding future benefit payments, including the Minimum Monthly Benefit.

In an overpayment situation, We will determine the method by which the repayment is made. You will be required to sign an agreement with Us which details the source of the overpayment, the total amount We will recover and the method of recovery. If LTD Monthly Benefits are suspended while recovery of the overpayment is being made, suspension will also apply to the minimum LTD Monthly Benefits payable under the Policy.
Subrogation — Right of Reimbursement

When any claim payment is made, *We* reserve any and all rights to subrogation and/or reimbursement to the fullest extent allowed by statute and customary practice. Any party to this contract shall not perform any act that will prejudice such rights without prior agreement with *Us*. *We* will bear any expenses associated with *Our* pursuit of subrogation or recovery.
**Entire Contract; Changes**

The Policy, the Policyholder’s application, the employee’s certificate of coverage, and Your application, if any, and any other attached papers, form the entire contract between the parties. Coverage under the Policy can be amended by mutual consent between the Policyholder and Us. No change in the Policy is valid unless approved in writing by one of Our officers. No agent has the right to change the Policy or to waive any of its provisions.

**Statements on the Application**

In the absence of fraud, all statements made in any signed application are considered representations and not warranties (absolute guarantees). No representation by:

1. the Policyholder in applying for the Policy will make it void unless the representation is contained in the signed application; or
2. any Employee in applying for insurance under the Policy will be used in defense to a claim under the Policy unless it is contained in a written application signed by the Insured and a copy of such application is or has been given to him or to his personal representative.

**Legal Actions**

Unless otherwise provided by federal law, no legal action of any kind may be filed against Us:

1. until 60 days after proof of claim has been given; or
2. more than 3 years after proof of Disability must be filed, unless the law in the state where You live allows a longer period of time.

**Clerical Error**

Clerical error or omission by Us to the Policyholder will not:

1. Prevent You from receiving coverage, if You are entitled to coverage under the terms of the Policy; or
2. Cause coverage to begin or coverage to continue for You when the coverage would not otherwise be effective.

If the Policyholder gives Us information about You that is incorrect, We will:

1. Use the facts to decide whether You have coverage under the Policy and in what amounts; and
2. Make a fair adjustment of the premium.

**Misstatement of Age**

If Your age has been misstated, an equitable adjustment will be made in the premium. If the amount of the benefit is dependent upon Your age, as shown in the Benefit Duration Schedule, the amount of the benefit will be the amount You would have been entitled to if Your correct age were known.

Note: A refund of premium will not be made for a period more than twelve months before the date the Company is advised of the error.

**Incontestability**

The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person's lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement.

**Conformity with State Statutes and Regulations**

If any provision of the Policy conflicts with the statutes and regulations of the state in which the Policy was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.
Workers’ Compensation or State Disability Insurance

The Policy is not in place of, and does not affect the requirements for coverage by any workers’ compensation or state disability insurance.

Agency

Neither the Policyholder, any employer, any associated company, nor any administrator appointed by the foregoing is Our agent.

General Provisions

We have the right to inspect all of the Policyholder’s records on the Policy at any reasonable time. This right will extend until:

1. 2 years after termination of the Policy; or
2. all claims under the Policy have been settled, whichever is later.

The Policy is in the Policyholder's possession and may be inspected by You at any time during normal business hours at the Policyholder's office.

How you’re protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can’t pay its debts). This notice summarizes your protections.

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don’t live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person’s claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
  - Up to $500,000 for health benefit plans, with some exceptions.
  - Up to $300,000 for disability income benefits.
  - Up to $300,000 for long-term care insurance benefits.
  - Up to $200,000 for all other types of health insurance.

- **Life insurance:**
  - Up to $100,000 in net cash surrender or withdrawal value.
  - Up to $300,000 in death benefits.

**Individual annuities:** Up to $250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

**Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.

**Individual aggregate limit:** Up to $300,000 per person, regardless of the number of policies or contracts. A limit of $500,000 may apply for people with health benefit plans.

**Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn’t guarantee, such as some additions to the value of variable life or annuity policies.

To learn more about the Association and your protections, contact:

Texas Life and Health Insurance Guaranty Association

Austin, Texas 78714-9104
1-800-252-3439 or www.tdi.texas.gov

**Note:** You’re receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). These protections apply to insolvencies that occur on or after September 1, 2019. There may be other exceptions that aren’t included in this notice. When choosing an insurance company, you should not rely on the Association’s coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage. Chapter 463 controls if there are differences between the law and this summary.
