MANAGER’S CORNER:

Great leaders are intentional about everything they do. Become more intentional by doing your own "7 Day Experiment."

QUOTE: "When you live each day with intentionality, there’s almost no limit to what you can do. You can transform yourself, your family, your community, and your nation. When enough people do that, they change the world. When you intentionally use your everyday life to bring about positive change in the lives of others, you begin to live a life that matters."

- John C. Maxwell
