SLOPE Template Instructions

(1) Select unit type.

(3) Complete program/department and contact info in the header.

(5) Academic units should list 3-5 student learning outcomes with at least two measures per outcome. Service units may have student learning or student success outcome(s) listed under Part 2, as appropriate.

(10) Based on last year’s planned actions for improvement, describe the changes made over this year and any evidence of those changes and their effectiveness.

(11) Service units should describe their operational outcomes and measure(s). Academic units may list program outcomes in Part 4 (e.g., graduation rates, number of publications, etc.).

(16) Identify assessment team members and describe the review process.

(17) Attach any appropriate appendices.

*To add more lines under Student Learning Outcomes or Program/Operational Outcomes, simply highlight the row(s) to duplicate, copy, and insert under the last row. To delete unused rows, highlight the rows to delete, right-click, and select option to delete rows.
