Overview

- This guide documents the process to set up Expense module delegates.
  - These delegates can enter expense reports for another employee.
  - The employee is still responsible for all expense report details, even when submitted by their delegate.
- For more information on the different Delegations available in Ignite, see the *Delegation Type Fact Sheet.*
I. Navigating to the Self Service Module

1. You can access the Expenses section in two ways:
   a. Click the Navigator icon in upper left-hand corner of the Ignite landing page.
   b. Under the Me section, click the drop down arrow, and select Expenses from the drop down list.
c. (Option 2) Under the **Me** heading on the home page, you can scroll down and click on the **Expenses** tile on the Main Page.
2. Manage Delegates

1. Upon entering the Expenses work area, click the gear icon to the far right of the window. Then click Manage Delegates.

   i. *Note: The Expense Module allows you to delegate expense report entry to another person. However, you are still the owner of the expense report.

2. Click on the “+” Create Icon in the top left of the window.
3. In the **Person** field, enter the name of who you want to delegate. If the name does not appear, use the Search icon.
