The following topics are included in this report:

Gender	Citizenship Status	Classification
Age	Country of Citizenship	Full-Time/Part-Time Status
Minority Status	Religious Affiliation	Average Credit Load
Racial/Ethnic Group	Entrance Test Scores	Dual Programs

For information on enrollment by students' programs and major fields of study, please refer to IRT Series Vol. 18 - 19 No. 015, "Enrollment by Program and Major, Fall 2018".

\* In this report, two race/ethnic group tables are presented. When providing information on their race and ethnicity, students were asked two questions. The first question asked the student: Are you Hispanic/Latino? The second question allowed students to select among five race categories, with multiple responses allowed. In the first table, students are counted in only one race/ethnic group category. If the student indicated “yes” to the first question, the student was categorized as Hispanic (only) regardless of any race code(s) they may have selected. If the student marked more than one race (and “no” to Hispanic/Latino in the first question), he/she was reported in the category of Multiracial. The second table counts a student in every race/ethnic group category he/she selected. The percentages in this table are based on the headcount of students.
