## Profile of Fall 2019 First-Time Freshman Baylor Line Camp Attendees

Baylor Line Camp is an extended orientation program that helps better equip new students in their transition to Baylor. This past summer, Baylor offered five different types of camps – Regular, Engineering and Computer Science (ECS), Outdoor Adventure (OA), Honors, and Missions. This report contains descriptive information about first-time freshman Line Camp attendees for Fall 2019. Included in this report is information about the following topics:

\* In this report, two race/ethnic group tables are presented. When providing information on their race and ethnicity, students were asked two questions. The first question asked the student: Are you Hispanic/Latino? The second question allowed students to select among five race categories, with multiple responses allowed. In the first table, students are counted in only one race/ethnic group category. If the student indicated “yes” to the first question, the student was categorized as Hispanic (only) regardless of any race code(s) they may have selected. If the student marked more than one race (and “no” to Hispanic/Latino in the first question), he/she was reported in the category of Multiracial. The second table counts a student in every race/ethnic group category he/she selected. The percentages in this table are based on the headcount of students.
