## ABOUT THE JOHN WILLIAM & FLORENCE DEAN MINTON STUDENT AWARDS CEREMONY AND LECTURE SERIES

The Student Awards Ceremony and Lecture Series is named in honor of John William Minton and Florence Dean Minton. Their daughter, the late Polly Minton McLeRoy of Sherman, Texas, established and endowed the lecture series in 1993 to honor her parents. In more recent years, Mrs. McLeRoy's son, William McLeRoy, graciously endorsed the concept of a ceremony to recognize the achievements of Baylor Law students to honor the memory of his grandparents and their lives' work, and at which the students would be addressed by a notable, inspiring speaker.

John William Minton was born in 1875 and graduated with an LL.B. from the University of Texas School of Law. In 1910, he was appointed to fill an unexpired term in the Texas Legislature from Sabine County; he subsequently was elected to the position and served in the Legislature through 1914. Thereafter, he had a successful practice in Hemphill until his death in 1959. He particularly was noted for his early advocacy in connection with East Texas timber interests. Florence Dean Minton was also born in Sabine County and was an active civic and church volunteer.

Mr. and Mrs. Minton had five children. Their daughter, Mrs. McLeRoy, who passed away in 2003, was a graduate of Texas Woman's University. A retired school teacher, she was an active member of the Audubon Society and the Nature Conservancy. She had two sons, William and the late Richard McLeRoy. The focus of this ceremony on student achievement is one which honors the life aims of Mrs. McLeRoy as a teacher.

John Henry Minton, Mrs. McLeRoy's brother, graduated from Baylor Law School in 1925. His sons, John H. Minton, Jr., of Tyler, and Robert M. Minton of Henderson, also were Baylor Law School graduates. Numerous other members of the Minton family have attended and graduated from Baylor University and Baylor Law School.

## 2017 DISTINGUISHED SPEAKER

### ANTHONY BRUSTER

The founding member of Bruster PLLC, Anthony Bruster received a B.B.A. in economics from Baylor University, and graduated *summa cum laude* and second in his class at Baylor Law School. After graduation, he began his legal career at the highly esteemed litigation firm Nix, Patterson & Roach LLP. Within his first two years of practicing law, Anthony passed four consecutive bar examinations (Texas, Arkansas, Louisiana, and New Mexico) and served as lead or co-lead trial counsel on multiple cases that resulted in verdicts for his clients—including *Penny v. SunBridge Healthcare Corp.* and *Roy Helton, et al. v. FMC Corporation*.

During his ten years of full-time practice, Anthony won numerous jury verdicts, and helped his clients negotiate and enter licensing and settlement agreements both inside and outside the context of litigation. Among other accomplishments, Anthony served as co-lead trial counsel for DataTreasury Corporation in its voluminous national and international patent enforcement campaign, which was widely reported in the media and garnered attention throughout the patent law community. Anthony was named a “Rising Star” by Thompson/Reuters in 2006, 2008, 2010, 2011, and 2012.

After more than ten years of maintaining a full-time litigation practice, Anthony resigned his partnership position at Nix, Patterson & Roach in December 2012

and left the full-time practice of law to focus his efforts on international mission work, with an emphasis on orphan care and Christian education in developing countries.

Anthony returned to the practice of law part-time in 2015, while maintaining an active involvement in advancing international education through his involvement with Edify ([www.edify.org](http://www.edify.org)) along with managing several other private businesses. Anthony also serves as counsel to several startup companies, maintains an “Of Counsel” practice with the Albritton Law Firm ([www.emafirm.com](http://www.emafirm.com)), and joint ventures cases with Brown Fox PLLC ([www.brownfoxlaw.com](http://www.brownfoxlaw.com)).
