PROCEDURE FOR SUBMITTING ANNOUNCEMENTS: If you would like to include an announcement in the weekly student announcements email, you must submit it (with the exact heading and wording you want to appear in the email) to Terri Kroll (Terri_Kroll@Baylor.edu) by 12:00 p.m. noon on the Friday preceding the Monday when you would like the announcement to be sent. If you have an event that is on a Monday, send your email a week ahead of time, so it can run in the previous week’s announcements. You must also copy Stephen Rispoli (Stephen_Rispoli@Baylor.edu) and the SBA Executive Secretary (Mattie_Dalton1@baylor.edu) on the email to Ms. Kroll. Failure to comply with this procedure may preclude your announcement from being included in Monday’s email. You may petition for a late/non-conforming submission to be included or sent in a separate email by sending Stephen Rispoli an email showing good cause for the late or non-conforming submission.
1. COVID Update

You should have received an email from the Baylor Health Management Team on Monday, May 17, with updated COVID-19 guidance. At the current time, faculty, staff and students who are fully vaccinated no longer required to wear a mask while in the Law School building. With that said, each person is welcome to continue to wear a mask while in the building even if not required to do so. Masks continue to be mandatory in the building for anyone who is not fully vaccinated (except when in the student lounge – actively eating or drinking – or when alone in a private office). Your presence in the building without a mask (except as noted before) is a representation to your colleagues that you are fully vaccinated.

We recognize we have some faculty, staff, and students who will not be seeking a vaccination for a variety of reasons and we respect your decision. Knowing that some of our faculty, staff and students will continue to be required to wear masks in the building, we want to make sure everyone feels comfortable while in the building. Please know that we will respect your decision to wear a mask for any reason.

The University, including the Law School, continues to prepare for normal operations in the fall. We look forward to seeing all students back on campus fully in person in August. We do not anticipate offering any exceptions to in-person learning and operations as we have done throughout the past year. This return to a pre-Covid normal applies to all students, faculty and staff.

We anticipate that the University will continue COVID-19 weekly testing requirements in the fall for those without an exemption. Exemptions include being fully vaccinated with a COVID-19 vaccine authorized for emergency use by the FDA or within 90 days of a positive COVID test.

If you would like to get a vaccine from Baylor’s Family Vaccine Clinic, please refer to the May 17 email or www.baylor.edu/vaccine.

We are eager to return to normal in the fall, but we will continue to make the safety and health of students, staff, and faculty our priority. If CDC and University COVID-19 guidelines evolve and require changes to our fall plans, we will notify you as soon as possible.

Summer Testing Locations and Hours

Beginning Wednesday, May 12:
• Testing will be available from 9 a.m.-5 p.m. Monday-Friday at the North Village Community Center (NVCC).
• Testing will be available every Wednesday from 9 a.m.-noon at Robinson Tower, Fifth Floor, and from 1-5 p.m. at Washington Tower, 811 Washington Ave., Room 170. This testing day will be available all summer from May 12-Aug. 13, 2021.

Beginning Monday, June 7: Testing hours will change at NVCC only**:
• 7-9 a.m. Mondays and Tuesdays at NVCC for Orientation students only**
• 9:30 a.m.-3 p.m. Mondays and Tuesdays at NVCC for faculty, staff and students
• 9 a.m.-5 p.m. Wednesday-Friday at NVCC for faculty, staff and students
• **This schedule change will be in effect from June 7-July 19, 2021. We will revert to the original summer hours at NVCC from July 20-Aug. 13, 2021.

Symptomatic/exposed: If you are a student with COVID symptoms or exposure to the virus, please log in to the Health Portal to make an appointment for testing at the Baylor Health Center in the McLane Student Life Center. Employees should contact their healthcare provider.

**SBA Announcements**

a. **Apparel & VIP Parking Spot Winner:** This week's apparel winner is Caleb Long!

b. **Summer Quarter Concerns:** If you have any suggestions, comments, or concerns about this quarter, please use this form to notify SBA, or email Peyton Maddox *(peyton_maddox1@baylor.edu)* or Megan Baumhardt *(Megan_Baumhardt2@baylor.edu)*
Take a Mental Health Break!

During the recent PDP session on mental health, Prof. Fuselier, Katherine Sims, and the Student Wellness Organization (SWO) asked what things the law school could do right now to support students and their mental health. The two most overwhelming answers were more Bruiser and to get you outside! Bruiser obviously agrees about wanting to get outside. We also know that being active is a great way to improve mental health and keep your brain sharp. With all of that in mind, here are some things we’ve planned for the month of June:

- **Bruiser guaranteed on campus**: 8th, 9th, 15th, 18th, 22nd, 24th, 28th, 30th (For those who don’t know Bruiser, he’s Katherine’s miniature dachshund. He loves visiting with students! You can find him roaming to halls and/or you can stop by Katherine’s office in the Dean’s Suite to get your puppy fix.)

- **Bear Trail walks**: Meet Katherine in the courtyard at 4:30 p.m. on Wednesdays (9th, 16th, 23rd, 30th) for a mid-week pick-me-up walk around the Bear Trail. The group will decide whether to do the whole thing or to take an abbreviated path. We’ll definitely stop to see the bears on campus!

- **Lunches on the back patio**: It will obviously be hot, so you don’t have to stay long or even bring a lunch! Just take a short break to visit with friends and enjoy the beauty of our view from the back patio. Join Katherine each Tuesday (8th, 15th, 22nd, 29th) at noon!

We received many more suggestions that we will continue to work on, so stay tuned for additions! Please let us know if you have any ideas you’d like to add! You can reach Katherine at katherino_sims@baylor.edu or (817) 291-3775, Prof. Fuselier at bridget_fuselier@baylor.edu or (409) 728-3670, and SWO President Kayla Dietrich at kayla_dietrich1@baylor.edu

5. Join the Humane Society of Central Texas’ “Legal Beagle” Team!

I am Victoria Collins, the Community Outreach Specialist for The Humane Society of Central Texas. We are trying to get our “Legal Beagle” program off the ground and would like to work with our local law students. The “Legal Beagle” program will consist of volunteers to help create and present legislation changes to our local government regarding Animal Rights and Laws. If this is something students in your program would be interested in, I would love to be able to post flyers in common areas, or have a small informational presentation on the volunteer opportunities we offer.

Thank you and have a great day!

**SLC Access for no fee this Summer!**

For the first time in over 20 years, Baylor has restructured their fees. The major change for law school students is that this includes access to the McLane Student Life Center. By simply swiping your Baylor ID, you can workout, swim laps, run on the indoor track, climb the rock wall, or shoot some baskets. There are additional services available such as massage therapy or personal trainers you may also choose. Your ID also gets you access to the Baylor Marina where you can check out a kayak, canoe, sailboat, or paddle board. We look forward to helping you be a healthier you.

For a full list of amenities, click here: https://www.baylor.edu/campusrec/index.php?id=931299.

Please check the website for hours of operation: www.baylor.edu/CampusRec.

**Baylor Masters of Public Health Study to Assess Preventative Health Behaviors in College-Age Women**

Hello,

I am Cheyenne Ryals, and I am a Master of Public Health candidate at Baylor University, working alongside Dr. Matt Asare. I am currently conducting a study to assess preventative health behaviors in college-age women. We are recruiting female respondents over 21 years of age to complete a brief survey regarding opinions about novel methods of cervical cancer screening access such as mail-in self-sampling devices. The incentive for individuals to complete the survey is the option to be entered in a raffle to receive one of several $50 gift cards. This study is supported by Baylor University.

The purposes of the study are to examine the low income and undeserved women’s understanding about cervical cancer, what they know about cervical cancer self-screening and their willingness to participate in self-screening, if self-screening opportunities become available to them. If you decide to participate in the study, you will be asked to complete an online survey about your perception of cervical cancer and self-screening. It will take about 20 minutes to complete the survey. We do not anticipate any risk for participating in the study. However, if you do not feel comfortable answering any of the question on the survey, you can skip that question.

Your participation in this study is voluntary. You may choose not to participate without any penalty.

You will have the option to be entered into a raffle drawing for an opportunity to win one of several $50 gift cards. We will ask you to provide your phone number OR email so that we can contact you for your gift card. However, we will be careful to keep data collected in this study...
confidential. Your study information will be kept in a secure computer at Baylor University. Three years after the study is completed, we will delete all study information collected. If you chose to answer the questions, you are providing consent for the information provided to be used in the study.

If you have any questions or concerns about this research study, you should contact the researchers at

If you have questions about your rights as a research participant, or wish to obtain information, ask questions, or discuss any concerns about this study with someone other than the researcher(s), you may contact the Baylor University IRB through the Office of the Vice Provost for Research at 254-710-3708 or irb@baylor.edu.

Animal Legal Defense Fund Announcement

Do you want to use your legal education to protect animals? The Animal Legal Defense Fund, a national non-profit organization that works to protect the lives and advance the interests of animals through the legal system, offers law students the opportunity to make a real difference in animals’ lives. Animal Legal Defense Fund Student Chapters are law student organizations that share our mission and strive to make this world a better place for animals. Please consider starting a chapter at your school today!

Benefits to starting a student chapter at your school include:
- Animal law clerkship, scholarship, and fellowship opportunities
- Free tabling and advocacy materials
• Emails about animal law events and educational opportunities
• Grants for projects and holding or attending events

Be a leader in the fight to win animals the legal protection they so desperately need and deserve. **Learn more and start a chapter at your school:** [www.aldf.org/startachapter](http://www.aldf.org/startachapter). The Store – Baylor Food Pantry for Students in Need

The Paul L. Foster Success Center-Student Success Initiatives hosts a student food pantry called The Store. While The Store staff supports reducing the risk of increased exposure to COVID-19, we are also dedicated to providing the high level of support needed for our students that need to remain on campus and the Waco area as classes move online. Stay connected with our office with these opportunities:

1. The Store remains open 8 am-5 pm, Monday-Friday, but is now located in the lobby area of the McLane Student Life Center (SLC). Students who have recently utilized The Store were notified of our continued services email, text, and through social media posts.
2. Virtually connecting via our social media outlets for the latest news. Follow us on Facebook through The Store, or follow us on Instagram @TheStoreBU.
3. Students who are struggling to get food, please contact The Store team at thestore@baylor.edu We will work with you to determine a plan of action based on your specific circumstances.

As we encounter the rapidly changing events caused by the coronavirus (COVID-19), the Student Success Initiatives team will be supporting the prevention efforts as outlined by Baylor University officials: https://www.baylor.edu/coronavirus.

To learn more, visit: https://www.baylor.edu/ssi/index.php?id=947350.

It's on us to prevent.
It's on us to intervene.
It's on us to care.

Please be sure to take the Title IX Online Course. Through the course, students, faculty and staff learned about building healthy relationships, preventing sex-based discrimination and intervening safely should they become bystanders in an unhealthy situation.

It is important that everyone is aware of the Title IX policies and understand their role in supporting those who encounter sexual or gender-based harassment.
Sincerely,

The Title IX Team
