Hello Baylor Graduate Students!

Through this change, the door has opened for Baylor Graduate students in all academic programs to receive access to the McLane Student Life Center and the Pullin Family Marina! If you are currently attending Baylor Graduate School, Baylor Law, or Truett Seminary classes, then you can access our facilities with just a swipe of your Baylor ID card.

In addition, current Baylor students may purchase a family membership for only $75/semester. This membership will provide access for the student's spouse and dependents according to our *Family Hours* policy. In order to add an eligible family member to your Campus Recreation account, the Baylor student and family member(s) must come to the SLC Service Desk together to complete the registration process. For more information on our Member Services and Family Access, please visit [www.baylor.edu/slc](http://www.baylor.edu/slc).
