LAW STUDENT PRO BONO OPPORTUNITY

Online Legal Help for Texans via TexasLawHelp.org

Use unemployment, evictions, and applying for public benefits are just some of the COVID-related legal issues fellow Texans are seeking guidance on during these extraordinary times. Because of closures, health and safety reasons, and general uncertainty, many Texans are turning to TexasLawHelp.org for legal assistance.

TexasLawHelp.org is a website dedicated to providing free, reliable legal information to low-income Texans. Site visitors connect with attorneys or law students through a LiveChat feature. Law students help visitors find the correct legal information and resources that may be of further assistance.

TLSC is seeking compassionate law students to donate their time and talents to address this increased need for online legal assistance. Law students must commit to volunteering two to four hours per week.

Additionally, you can split your shifts. For example, you can volunteer for 1 hour on Mondays and 2 hours on Thursdays each week, if you want to volunteer for a total of three hours per week.

Students can volunteer during the following LiveChat hours:

Monday — Thursday and Saturdays
10:00 AM - 4:00 PM each day.

To learn more about this pro bono opportunity and sign up, visit tlsc.org/intern-livechat. You can also email us at livechat@tlsc.org

It’s on us to **prevent**.
It’s on us to **intervene**.
It’s on us to **care**.

Please be sure to take the Title IX Online Course. Through the course, students, faculty and staff learned about building healthy relationships, preventing sex-based discrimination and intervening safely should they become bystanders in an unhealthy situation.

It is important that everyone is aware of the Title IX policies and understand their role in supporting those who encounter sexual or gender-based harassment.

Sincerely,
