Fall 2022 COVID Online Attendance Policy

Positive COVID Test

If you test positive for COVID, regardless of vaccination status:

- Submit an online attendance request form.
- Stay home for five days and wear a mask if around other people.
- *IF you are fever-free for the prior 24 hours (without the use of fever-reducing medicines) and your other symptoms are mild and improving, you can leave your home after the five-day isolation period.
- Continue to wear a high-quality mask around others for five additional days. Masks are available in the Dean’s Suite and at the circulation desk in the law library.
- If you have a fever or symptoms have not improved at the end of five days, submit another online attendance request form.

COVID Symptoms

If you have COVID symptoms:

- Submit an online attendance request form.
- Test as soon as possible. You can test at the Baylor Health Center, purchase tests from a local pharmacy, or use a free at-home COVID test obtained from the U.S. Post Office (order before September 2).
- You may attend classes online, with an approved online attendance request form, for up to two days until you receive your COVID test results.
- You may return to classes with a negative test.

**Law School Card Exterior Door Schedule**

To prevent unauthorized access, all law students have regular card swipe access (5:00 a.m. to 2:00 a.m.). The exterior doors will also be unlocked from 7:00 a.m. to 6:00 p.m. Monday to Friday. To keep the Law School safe do not prop the exteriors doors open after hours.

**Law School Lost and Found**

ALL LOST AND FOUND ITEMS will be taken to the circulation desk at the first floor library. All rooms are cleared out on Fridays of clutter, so anything found will be taken to the first floor library since it is open to the students.

**Law Library Regular Hours / Football Game this Saturday**

Please note that on Saturday, the parking lot (a University-controlled space) will be closed due to the Baylor vs. Texas State football game. We also strongly recommend that you plan an alternate transportation plan to get to the law school, as University Parks travel is limited. There are buses that run between various locations and the stadium, so you may be able to find remote parking and transportation to the law school. In addition, it is likely that you will hear gameday noise in the library due to the library’s close proximity to the stadium.

*Students must use their ID cards to access the building*

Feel free to visit us to use our study spaces and/or learn about library services.

**Law Library Regular Hours**

- **Sunday**
  - 11:00 a.m. to Midnight
- **Monday - Thursday**
  - 7:00 a.m. to Midnight
- **Friday**
  - 7:00 a.m. to 10:00 p.m.
- **Saturday**

**TRANSACTIONAL LAW MENTOR PROGRAM – APPLY BY FRIDAY, OCTOBER 7**

The Baylor Law Transactional Law Faculty, Career Development Office, and Alumni Office are partnering to develop a mentor program for second- and third-year students interested in pursuing a career in transactional law. The goal of the Transactional Law Mentor Program is to provide students with support and encouragement as they seek to learn more about transactional areas of practice and identify strategies for pursuit of opportunities in those areas. This program will be limited to a small number of students who have a demonstrated interest in this area of law.

*Expectations*: Students accepted to the mentor program will be required to attend at least one event scheduled by Baylor Law School and commit to at least two (but likely more) one-on-one meetings with their mentor between the beginning of the December 2022 and the end of April 2023. We hope that students will have additional opportunities to meet with, shadow, and
learn from their mentors. We are seeking students for the program who will take advantage of all opportunities to connect with their assigned mentor.

Application:
We invite rising second- and third-year students to apply online by Friday, October 7.
No framers had stronger views about the design of a new American government than Alexander Hamilton and James Madison, and few if any who ultimately signed the new constitution sustained more defeats on key issues during the framing process than they did. Yet each put aside his individual doubts and disappointments to create, along with John Jay, a set of essays that constituted not merely the most persuasive brief for ratifying the new constitution but the most enduring justification for a federal system of republican government ever attempted. In declining to let the best be the enemy of the good, the authors of the Federalist Papers set a standard to which today’s leaders would be most wise to emulate.
Join The Federalist Society and Christian Legal Society as we welcome
Mr. Jordan Lorence, Senior Counsel for Alliance Defending Freedom.

This Friday, Mr. Lorence will be speaking about the recent Supreme Court decision in the Coach Kennedy case and the future of establishment clause jurisprudence after the demise of the Lemon test. There will be a Q&A session with Mr. Lorence and FREE LUNCH! No RSVP required and all are welcome to attend!

Please see the flyer below for details.

Only students who have completed or are currently enrolled in LARC 3 are eligible to try out. Membership on a team is conditioned on having successfully completed LARC 3.

Enter your name here in the earliest available time slot (if you have a class conflict, enter your name in the first available time slot after class):
