***Introduction to Law and the Legal Profession is a required non-credit course. You will not have to register for this class. The class will not meet every week. A schedule of meeting days will be announced during the first week of class. Class sessions will last 1.5 hours each.

Entering students have a pre-determined course schedule for the first year, and the course schedule is not subject to variation except by express permission of the Associate Dean. Variation will be granted only in extraordinary circumstances. No course may be dropped at any time during the first year, except (1) under extraordinary circumstances, (2) upon certification of the instructor that the student is earning a grade of “C” or higher in the course, and (3) with permission of the Associate Dean.
Before you can register for classes, you must set up your BearID and PIN. Go to www1.baylor.edu/activatebearid to activate your BearID and PIN.

1. Registration is completed through BearWeb (bearweb.baylor.edu). Select “Login to BearWeb.” Login with your BearID and PIN.

2. Choose “Student Academic Services.” Then choose “Registration.” Select the Spring 2019 term. Select “Add or Drop Classes.” Enter the CRN for each class you will be taking. The CRNs are listed on the Spring 2019 Course Schedule.

NOTE: If there is a hold on your registration, go to the “Student Records” page and select “View Holds.” You may be able to clear the hold by providing the requested information.

3. After your registration has been submitted, check to be sure that you are registered for the correct classes.

4. If you are interested in purchasing a parking decal, BearBucks, and/or any of the optional student services, select “Student Financial Services.” Choose “Student Account” and select whatever services in which you are interested. It is optional to purchase a meal plan, but if you would like to do so, you need to contact the cashier’s office at (254) 710-2311.
