Fall 2019 Recap

BY LIBBY FERAY - CAMPUS KITCHEN PRESIDENT

The first tenet of Campus Kitchen's mission is to strengthen bodies by using existing resources to meet hunger and nutritional needs in our community. During the Fall 2020 semester we have been able to do just that. In total, the kitchen team prepared 650 meals through partnerships with The Cove and The Store. Our recovery team recovered 3,463 pounds of food from dining halls and 2,580 pounds from Panera Bread; and the Baylor Community Garden is preparing for a transformative Spring semester. Additionally, our November Turkeypalooza Canned Food Drive was a huge success, collecting over 1,500 pounds of canned goods for the Shepherd's Heart Food Pantry and The Store. We are excited to continue these efforts and many more this Spring!
