Assistant to Associate Professor Advertisement 2021-2022

Department of Mathematics

Baylor University is a private Christian university and a nationally ranked research institution, consistently listed with highest honors among The Chronicle of Higher Education’s “Great Colleges to Work For.” The University is recruiting new faculty with a deep commitment to excellence in teaching, research and scholarship. Baylor seeks faculty who share in our aspiration to become a tier one research institution while strengthening our distinctive Christian mission as described in our academic strategic plan, Illuminate www.baylor.edu/illuminate. As the world’s largest Baptist University, Baylor offers over 40 doctoral programs and has more than 17,000 students from all 50 states and more than 85 countries.

Baylor seeks to fill the following tenure-track faculty position in the Department of Mathematics, College of Arts & Sciences:

Assistant to Associate Professor, Applied Mathematics

This is a tenure-track position at the level of Assistant to Associate Professor in applied mathematics. Active research areas in the department in applied mathematics are in the general areas of differential equations, numerical differential equations, and numerical linear algebra. Strong potential for obtaining external funding is expected. In addition to developing a leading research program supported by external funding, the successful candidate is expected to pursue excellence in both undergraduate and graduate teaching and supervise student research. Salary is commensurate with experience and qualifications. The appointment begins in August 2022.

Candidates should possess an earned doctorate in mathematics or a closely related field by August 2022. A description of the position, including qualifications, responsibilities, and the specific application process, is available at this Interfolio link: https://apply.interfolio.com/88403. Applications received by October 15, 2021 will receive full consideration, with review continuing until the position is filled. Finalists for this position will be required to submit official doctoral transcripts in advance of a campus visit.
