Baylor University

Baylor University is a private Christian university and a nationally ranked research institution, consistently listed with highest honors among The Chronicle of Higher Education’s “Great Colleges to Work For.” The University is recruiting new faculty with a deep commitment to excellence in teaching, research and scholarship. Baylor seeks faculty who share in our aspiration to become a tier-one research institution while strengthening our distinctive Christian mission as described in our academic strategic plan, Illuminate (baylor.edu/illuminate). As the world’s largest Baptist University, Baylor offers over 40 doctoral programs and has more than 17,000 students from all 50 states and more than 85 countries.

Baylor seeks to fill the following non-tenure-track position within the College of Arts and Sciences, Department of Mathematics:

Postdoctoral Fellow, Mathematics

This position is on a renewable twelve-month contract potentially leading to a maximum appointment of three years. Special consideration will be given to applicants with interests aligned with areas of research in the department that include algebra, analysis, computational mathematics, differential equations, mathematical physics, numerical analysis, representation theory, and topology.

The appointment begins in August 2022. A description of this position, including qualifications, responsibilities, and the specific application process, is available at this Mathjob link: https://www.mathjobs.org/jobs/list/18041 Candidates should possess an earned doctorate or equivalent in the appropriate field of study. Salary is commensurate with experience and qualifications. Applications received by November 1, 2021 will receive full consideration, with review continuing until the position is filled.

Baylor University is a private not-for-profit university affiliated with the Baptist General Convention of Texas. As an Affirmative Action/Equal Opportunity employer, Baylor is committed to compliance with all applicable anti-discrimination laws, including those regarding age, race, color, sex, national origin, pregnancy status, military service, genetic information, and disability. As a religious educational institution, Baylor is lawfully permitted to consider an applicant’s religion as a selection criterion. Baylor encourages women, minorities, veterans, and individuals with disabilities to apply.
