[Baylor University](#)

Baylor University is a private Christian university and a nationally ranked research institution, consistently listed with highest honors among *The Chronicle of Higher Education's* "Great Colleges to Work For." The University is recruiting new faculty with a deep commitment to excellence in teaching, research, and scholarship. Baylor seeks faculty who share in our aspiration to become a tier-one research institution while strengthening our distinctive Christian mission as described in our academic strategic plan, *Illuminate* (baylor.edu/illuminate). As the world's largest Baptist University, Baylor offers over 40 doctoral programs and has more than 17,000 students from all 50 states and more than 85 countries.

Baylor seeks to fill the following faculty position within the [College of Arts and Sciences, Department of Mathematics](#):

Assistant Professor, Mathematics

This is a tenure-track position at the level of Assistant Professor in Algebra. Applications from candidates with research overlap in related fields such as Combinatorics, Coding Theory, Set Theory and Logic, Algebraic Number Theory, Algebraic Geometry, and Representation Theory are welcome. Potential for obtaining external funding is expected. In addition to developing a leading research program, the successful candidate is expected to pursue excellence in both undergraduate and graduate teaching and to supervise student research. Salary is commensurate with experience and qualifications.

The appointment begins in August 2023. A description of the position, including qualifications, responsibilities, and the specific application process, is available at this Interfolio link: apply.interfolio.com/108417. Candidates should possess an earned doctorate or equivalent in the appropriate field of study. Salary is commensurate with experience and qualifications.

For inquiries about the position email the search committee using the email address math@baylor.edu with the subject line: **Tenure-track Position at Baylor**
