

My Visit to the Mayborn Museum

Waco, Tx

Mayborn
MUSEUM

Baylor University

I am going to **VISIT** the **MAYBORN MUSEUM** in **WACO,**
TX soon!

I will be able to **SEE** and **EXPERIENCE** new things. It is going to be so much **FUN!**

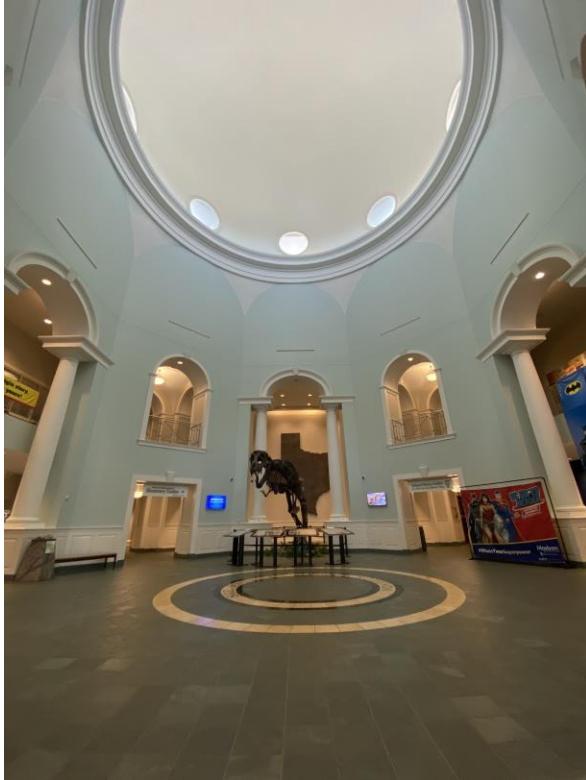

I will see **MUSEUM** staff
wearing **GREEN** polos.

When I arrive, I will **WALK** into the museum and see the **TICKETING DESK**. I may have to **WAIT** in **LINE** to pay.

I will then walk through the **ROTUNDA** and I will see **STAN**.
There may be **ECHOES** in this
room.

I will see **MAPS** that will help me get **AROUND** the museum.

While I am at the **MUSEUM**, I may have to **WALK** up the the **STAIRS** to get to the 2nd floor. I **WILL** be careful and hold of to the handrails.

I may take the
ELEVATOR to the
2nd floor.

I may **SEE** and exhibit that is **NEW**. This is a **TRAVELING EXHIBIT**.

I won't be able to take my **FOOD** or **DRINKS** into the traveling exhibit. I **WILL** put them in the **CUBBIES** for safe keeping.

I will see **PLAY WACO**. This area is for children **5 AND UNDER**.

Next to **PLAY WACO**, I will see the **SECURITY DESK**.
They **WILL** help keep me **SAFE** and they take care of
LOST AND FOUND.

I can visit an area called **BACKYARD ECOLOGY HALL**.
There will be some **SCREENS** with activities that I can
TOUCH.

In these rooms I will see **ANIMALS** in cases. Some of the animals are **ALIVE**, some are **NOT ALIVE**. The animals cannot come out of their cages, but we can **SEE** and **OBSERVE** with our eyes.

One of the rooms is the water room. In this room there will be a **WATER TABLE**. I can play in the water table, and I may get **WET**.

One area I can visit is the
NATURAL HISTORY
HALL. In this hall there
will be many things to
see from long ago. I will
use my eyes to **SEE** and
EXPLORE.

It may be a little **DARK** in this area. I may see a giant reptile called a **PLIOSAUR** up high in the ceiling. It is just a model. I may also see a giant **SEA TURTLE**. They are **NOT ALIVE**. I may hear animal **SOUNDS**, but they are **NOT REAL**.

Another area I can visit is the **WACO MAMMOTH SITE**. In this exhibit there will be a **LOUD** video. There will also be a **PLASTIC SEE-THROUGH** floor. I **WILL NOT** fall through it. I will use my eyes to **SEE** and **EXPLORE**.

I **CAN** go see a room with homes in it. It may be **DARK**.
There I will see a big **BISON**. It is **NOT ALIVE**. It **CANNOT**
hurt you.

I may visit the **DISCOVERY ROOMS**. I can use my hands to **TOUCH** and **DO** things here. I may need to take turns with other visitors in these rooms. It may be noisy, but I will try to be **CALM**.

One of the **DISCOVERY ROOMS** is called the **BACK TO JURASSIC** room. I will see many **MOVING DINOSAURS** that are **NOT REAL**. I will hear them **ROARING**, but they are **NOT ALIVE**.

I can go **OUTSIDE** to see the **HISTORIC VILLAGE**. It has building from from a **LONG TIME AGO**. I can go inside some of the buildings and **LOOK** with my **EYES** at all the cool, old things inside!

Before I leave, I can visit the **MUSEUM STORE!** There I will **SEE** things for sale.

After my **VISIT** is over, I will **LEAVE** the Mayborn Museum and go back **HOME**!
