---TRAFFIC ALERT---

January 22, 2019

WACO – I-35 Northbound and Southbound to Close for Forrest St. Bridge Work

Wednesday, January 23, from 7 PM to 7 AM, I-35 northbound and southbound mainlanes will close as the contractor continues work on the Forrest St. U-turn bridge.

Northbound mainlane traffic will detour off I-35 at Exit #335C / MLK Blvd. and re-enter the mainlanes near US 84/Bellmead Dr.

Southbound mainlane traffic will detour off I-35 at a temporary exit near Elm Ave. and re-enter the mainlanes at University Parks Dr. (see attached maps).

BOTH the MLK and University Parks intersections under I-35 will be closed to traffic crossing I-35 during the work. Drivers should plan alternate routes to get from one side of I-35 to the other in this area.

Loop 340 will be available as an alternate route for long-distance traffic during the closures. Warning signs will be in place to assist motorists. Travelers are encouraged to seek alternate routes during this time.

Remember to obey all warning and detour signs in the work zone.
