[Ask a Question](#)

Click Apply Now (remember if you've already started an app, go straight to <http://bearsabroad.baylor.edu> & "Non-BU Login" to see apps you've already started

## Security : User Identification Wizard: Step 1

In order to continue, you will need to be logged-in. This wizard will guide you through the steps of authentication.

Please indicate how you will be logging in. All Baylor faculty, staff, and students should choose the first option.

- I have a Baylor username and password.
- I have login credentials to this site that I received by email.
- I am a new user. Please email me login credentials.

[Submit](#)

The system doesn't recognize incoming freshman emails..it's stupid. We're sorry 😞 INSTEAD, create a new user profile using your personal email address for now.

To create an account, please fill in the form provided below.

### New User Form:

**First Name:**

**Middle Name:**

**Last Name:**

**Email:**

I understand that by checking the box and pressing the Submit button that I am authorizing this site to collect personal information about me for the express purpose of interacting with this site. Furthermore, I understand that the type and amount of information that is collected about me by this site is governed by the choices of the institution that is offering this service to its students, faculty, and clients.

In the case that I wish to withdraw my consent for my personal information to be retained in this site, I understand that I will need to contact the site administrator.

[Create Account](#)

Remember to use a NON @baylor.edu email for line camp...

## Security : Login (new user)

New account created and temporary login credentials have been sent.

Your username and temporary password have been emailed to you and should arrive in a few minutes. Use the link provided in that email to return to this site and login. You will then be re-directed appropriately.

Check your email to see if a user name & temporary password has been sent to you. Password only good for 24 hours. If you still have trouble, email us your first & last name & email to [missions@baylor.edu](mailto:missions@baylor.edu) and we can set you up on the backend!
