Career Success Starts Now.

Baylor University Career Center Orientation 2021
The Mission of the Baylor University Career Center is to ensure each student has the opportunity and support to achieve their career potential.

Our Values:

- Student-Centered Approach
- Appreciation for Diversity
- Respect for Christian Tradition
- Knowledge
- Collaboration
- Competence

- Excellence
- Integrity
- Commitment
- Compassion
- Creativity
You might be thinking...

- Why are we talking about this “career stuff” so early?
- Don’t I need to adjust to college first before thinking about this?
- What if I don’t know my major yet?
- Isn’t this something I need to think about when I’m a Senior?
- 83% of Baylor students who use the Career Center are in jobs or graduate school within 90 days of graduation. **91% of students that start working with us as freshmen are in jobs or graduate school within 90 days of graduation.**

Engage Early • Engage Often
Checklist for Success

What do I need to do to succeed in my first year related to my career calling? We’ve made it easy for you to figure out with a checklist that will lead you to success.
4 easy steps to get started

1. Handshake
2. Assessment
3. Résumé
4. Appointment

Follow this code to our online checklist
1. Handshake Profile

Handshake is our premier career resource for all your career needs. You already have an account and can log in with your Bear ID and password.

Completing your profile in Handshake allows employers and the Career Center to get to know you and your calling!

baylor.joinhandshake.com

84% of Baylor students use Handshake
2. Complete a career assessment

A career assessment can help you understand your personality, strengths, and calling, and learn more about career options for your major and interests.

SuperStrong is one of the most widely used career tools in the world. It is a great resource to discover more about yourself and potential careers.
