North Queensland, Australia, Baylor in Australia, Summer.
Student health, safety, and security are our top priorities.

The Center for Global Engagement (CGE) at Baylor University is prepared to deal with any emergencies that may arise.

Our program directors and study abroad staff members are prepared to support students through pre-departure and on-site orientation information and 24-hour staffed telephone numbers.
We are still on track for Fall 2021 students to travel and plan to provide study abroad opportunities for Fall 2021.

Baylor's main concern for study abroad is the health and safety of all students, faculty, and staff participants and will make decisions regarding study abroad programs as Information becomes available.

Global Friendship Program

What Is It?
The Global Friendship Program (formerly known as the PAWS Program) is a longstanding tradition at Baylor. International students/scholars and U.S. students and families have been connecting and building lasting relationships for many years. We hear stories from both international students and their student friends and families that participating in the GFP has been a rewarding experience.

Benefits
Practice language skills with a student that is fluent, meet individuals from a different culture, and build friendships.

Who Can Apply
ALL Participating Students, Scholars & Host Families must be open and willing to engage in new experiences, and the sharing of your culture and values.

For More Information, contact the Center for Global Engagement at: ISSS_Support@baylor.edu
The Certificate in Global Engagement is designed to help students develop globally essential skills and knowledge that will better prepare them for leadership and service in the global society of the 21st century. Through the certificate program, students will have the opportunity to participate in cultural events, take a variety of Global Engagement (GE) courses, and expand their worldview.

Benefits
Upon achievement of the certificate, a certificate signed by President Livingstone; graduation cords; recognition on your transcript!

Who Can Apply
The Certificate is open to all Baylor University undergraduate students, in any major!
