NEW STUDENT EXPERIENCE

CORNERSTONES

AT THE HIGHEST LEVEL, NEW STUDENTS ARE CALLED TO FLOURISH IN A COMMUNITY...
OF ACADEMIC RIGOR • OF PERSONAL GROWTH • OF FAITH FORMATION • OF CULTURAL HUMILITY
All of the different voices at Baylor have strengthened my **Cultural Humility**, allowing me to see other perspectives and gain an understanding of cultures that are different from my own. One great memory that stands out was when Baylor Multicultural Affairs hosted several events for Hispanic Heritage Month. I was able to learn more about Hispanic culture and eat some great traditional Hispanic food.

**Tyler Ray**
Baylor has a way of making you feel like family and encouraging your **PERSONAL GROWTH**. Participation in sincere service events, community sporting events and faith-based activities is effortless when surrounded by people that raise you up and celebrate you. Baylor changed my mindset and well-being for the better.

**ELLA SCHILLACI**
Baylor’s devoted mission to faith allowed me to practice and expand upon my own faith. I was surrounded by a loving, caring community that supported my **FAITH FORMATION** through each step of my journey towards Christ.

**NATHAN BEAN**
Growing as a student, I began to look at different career paths and majors. I decided on sociology as my major. My professors are a constant light and so incredibly knowledgeable. It has shaped me and encouraged me. It’s a beautiful thing to challenge the mind. That is what Baylor’s ACADEMIC RIGOR has taught me the most — the importance of asking questions and learning.
