

LHSO Virtual Mission Event running from **now until June 10th.**

Baylor University Louise Herrington School of Nursing (LHSO) and Medical Service Organization (MSO) virtual mission team Peru 2021 are working to provide immediate and long-term service to our partner, Operation San Andres (OSA). OSA is a faith-based, non-governmental organization dedicated to transforming the community of Collique, Peru, through the power of the Gospel of Jesus Christ. Any assistance in the form of time, money, or prayers is appreciated!

4 WAYS TO HELP

Covid-19 has created a catastrophic food shortage in Collique, Peru and **they need our help!**

1. **Donate** to OSA to aid in supporting the 30 soup kitchens in Collique using the QR code to the right. To learn more about the current state of these efforts, please see this brief video <http://bit.ly/Collique>

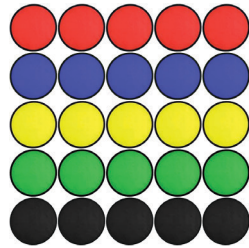

- \$12 buys one pack of oats
- \$30 buys one case of tinned milk
- \$30 buys one sack of rice
- \$40 buys one sack of lentils or split peas

To donate, visit:

<https://bit.ly/OSA-LHSO>

Any donation is greatly appreciated!

2. **Purchase** kids' face masks and toys from our Amazon Wishlist: <https://amzn.to/3tRp7qG>

3. **Sign a card or make your own.** Drop off at the clinical simulation building or email an electronic version to any of the virtual team members.

4. **Pray** for OSA and the people of Collique, Peru.

Have items shipped to:

Baylor University Louise
Herrington School of
Nursing
