- Prelabs (in person labs only) are due at the beginning of lab. Late prelabs are not accepted.
- For some experiments, lab reports must be turned in at the end of lab.
- For other experiments, lab reports are due one week after they are performed. For these lab reports the following rules apply:
  - Lab reports that are turned in late must be turned in at the physics office D311.
  - Do not leave late lab reports on your TA’s office desk.
  - Five points per day is deducted for late lab reports.
  - A lab report that is turned in after the start of lab is one day late.
  - Lab reports more than one week late are not graded.
- When you turn in your laboratory reports, ask your TA to initial your Lab Report Record sheet in your lab handbook. This is a simple way to track that your reports were received.
