

AUTHORIZATION FOR CONFIDENTIALITY

I intend to apply for admission to one or more professional schools in the health professions and hereby request that the Prehealth Committee on Evaluations receive confidential letters of evaluation from any individual faculty and/or persons on my behalf. Additionally, the Committee is hereby authorized: (1) to forward a cover letter, releasing me from the Baylor pre-professional interview without prejudice and (2) to forward the confidential letters to those professional schools which I shall designate in writing later.

The above noted activities of the Committee are offered as a convenience to present or past pre-professional students of Baylor University. The Advisory Committee is not responsible for the content of the letters forwarded nor for delays that may occur with transmittal agents (e.g. U.S. Postal Service, Federal Express, United Parcel Service, etc.). Accordingly, the Advisory Committee will not forward letters received less than two weeks prior to published deadlines for receipt of such supplemental materials. Verification of the receipt of documents submitted to the respective professional schools is the student's personal responsibility.

I understand that the Prehealth Committee on Evaluations will not permit any other party access to my file without my written consent in accord with the Family Rights and Privacy Act, except that upon my written request the Prehealth Committee on Evaluations shall forward the cover letter and confidential letters to specified professional schools in support of my application for admission.

WAIVER OF ACCESS

I, _____, hereby voluntarily waive my right of access under the Family Rights and Privacy Act (20 USC 1232g) to those confidential letters of evaluation received by the Advisory Committee on my behalf and sent to the respective professional schools, which I shall designate. I understand that this waiver is irrevocable.
