Non-Standard Section Meetings

If a section with a non-standard meeting pattern meets during, or overlaps, a standard meeting pattern (found in section II), the non-standard section exam time should be scheduled during the standard exam time (i.e. M 12:20 non-standard pattern should schedule the exam with the MWF 12:20 exam time). Instructors should verify that there are no room conflicts with other sections with non-standard meeting patterns, using the same room at a corresponding meeting pattern, during the semester (i.e. M 12:20 non-standard time and W 12:20 non-standard time, both would rely on the room during the MWF 12:20 exam meeting).

If the section does not meet during a standard meeting pattern, or if there is a conflict with the exam offering, the Office of the Registrar will work with the building/department scheduler to resolve the conflict. For additional assistance, please contact the Office of the Registrar. The only time during the Final Exam period with no scheduled Final is Saturday, May 11th, 7:00 – 9:00 p.m.
