Volunteer Board Members Needed

Q: What can I do to make a real difference in my city and community?
A: You can become a volunteer member of a board or commission!

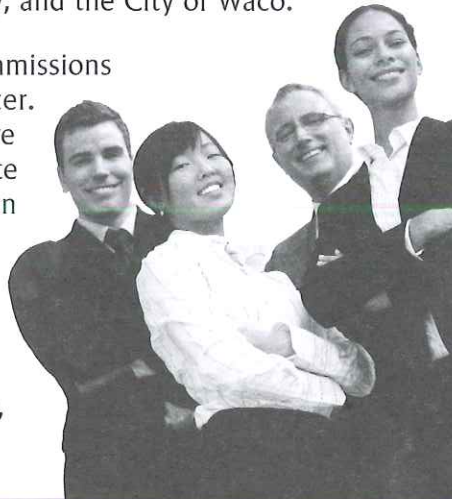

The Waco City Council welcomes applications from Waco residents who are interested in serving their community and working for a common purpose as a member of a board or commission.

Board and Commission members are leaders in the community who want to work with others to make Waco great. The role of a board or commission member for the City entails a high degree of responsibility to keep the public interest as a top priority.

Active participation and regular attendance is vital to the success of the board or commission, your community, and the City of Waco.

A current list of City of Waco Boards/Commissions can be found on page 2 of this newsletter. If you are interested in volunteering to serve on a board or commission, please complete the application form on page 2 and return it in the mail with your water bill payment.

Applications and a detailed listing are also available in the City Secretary's Office or by visiting the City's website at www.waco-texas.com. Click Leadership, then Boards/Commissions Listings.
