# NAVIGATING BEARWEB - FINANCIAL AID OPTIONS

## OUTSTANDING REQUIREMENTS

The following steps should be used to review and satisfy any outstanding verification or conflicting information requirements once logged into BearWeb.

- Select “Student Financial Services”
- Select “Financial Aid”
- Select “New Financial Aid Dashboard”
- Use the dropdown option in the upper right corner to select the appropriate aid year

On the Home tab you will be able to view any Unsatisfied and Satisfied Requirements. Use the arrow to the far right of the requirement to see additional details related to the requirement. If your requirement requires action, such as additional documentation, click on the requirement title.

## CURRENT FINANCIAL AID AWARDS

The following steps should be used to review and accept your financial aid awards once logged into BearWeb. Please note, scholarships will automatically be accepted for the student.

- Select “Student Financial Services”
- Select “Financial Aid”
- Select “New Financial Aid Dashboard”
- Use the dropdown option in the upper right corner to select the appropriate aid year

On the Award Offer tab, you will find the Cost of Attendance (COA) along with any financial award offers following the COA. Work-Study and Loan resources will appear after the Net Cost.

## STUDENT BU FINANCIAL AID PIN

The following steps should be used to view, or reset your Student BU Financial Aid PIN once logged into BearWeb.

- Select “Student Financial Services”
- Select “Financial Aid”
- Select “Student BU Financial Aid PIN”

Please note, to reset parent pins (for dependent students), submit an inquiry at [www.baylor.edu/sfs/contactus](http://www.baylor.edu/sfs/contactus).

## E-BILL SYSTEM

The following steps should be used to view your account or make a payment through the E-Bill system once logged into BearWeb.

- Select “Student Financial Services”
- Select “Student Account”
- Select “E-Bill System – View Account/Make Payment”

## CONFIRM ATTENDANCE

The following steps should be used to confirm your attendance for a term once logged into BearWeb.

- Select “Student Financial Services”
- Select “Student Account”
- Select “Confirm Attendance”

## DIRECT DEPOSIT

The following steps should be used to set-up or change direct deposit once logged into BearWeb.

- Select “Student Financial Services”
- Select “Student Account”
- Select “Refund by Direct Deposit – Bank Information”
