Balance – Starting Balance on your account minus your Enrollment Deposit or any other applied credits to your account.

Estimated Financial Aid – Authorized Financial Aid applied to your starting Balance.

Balance Including Estimated Financial Aid – Balance remaining on account after Estimated Financial Aid has been applied. This amount must be paid in full or enrolled into a Payment Plan by the due date in order to complete Financial Settlement each semester/term.

Unsubsidized Loan – Federal loan that is automatically offered after a student successfully completes the FAFSA.

Grad PLUS Loan – Federal loan that must be applied for separately at www.studentaid.gov if additional aid is needed. Graduate students must complete a FAFSA each year to be eligible to apply for the Grad PLUS loan.

Tuition is assessed on a per hour rate based on your program, with the exception of Online DPT students, which is assessed on a per semester rate.

Student Insurance – Health Insurance is required for all degree seeking graduate students, both domestic and international, enrolled in 3 or more credit hours. To help graduate students meet this requirement, Academic Health Plans (AHP) has been selected to administer the Student Health Insurance.

Course or Lab Fee – The individual departments determine if a class will have a Course or Lab Fee as well as the amount of the fee. For additional information, please contact your program.

Administrative Fee – The Administrative Fee is a flat-rate fee that is charged to students taking all online courses for the term. This fee helps offset the administrative costs of producing online instruction and campus technology, including, but not limited to Canvas, Zoom, Box, management systems and other kinds of computer-related infrastructure that helps ensure academic integrity.

The Enrollment Deposit is reflected under the credit column and reduces the total account balance.

Student Schedule – For all eligible financial aid to be reflected on your bill, you must be enrolled at least full time, which is 9 hours or more for a Graduate student. If your credit hours do not match the number of hours your financial aid was packaged for, click here to complete this form to let us know your anticipated enrollment hours for the next aid year.
