

LICENSED PROFESSIONAL COUNSELOR (LPC, LCSW, LMFT)

Pastoral Counseling Center is recruiting experienced, licensed therapists to work with clients at satellite locations across the entire Dallas/Fort Worth Metroplex.

The licensed therapist will provide psychotherapy for adults and couples. The ideal candidate will also see preschoolers, children, and teens as a part of their practice.

The **Pastoral Counseling Center (PCC)** offers a collegial, fun, and engaging environment in which licensed therapists and psychologists may have a psychotherapy or assessments practice that fulfills their personal goals as professionals. Clinicians may have the best of both worlds – the ability to develop their ideal practice as well as have the opportunity to work in an interdisciplinary organization that focuses on ongoing professional growth and continued learning. We've been providing therapy in Dallas/Fort Worth for almost 50 years. We currently have 33 clinicians including residents working on licensure

Requirements

Offer one to two evenings of sessions until at least 7 pm and/ or Saturdays
Attend weekly Friday morning staff meetings, CEU's and group case consultations
Demonstrate teamwork and commitment to the work and mission of the Center
Honor the role of faith and spirituality in the lives of clients

Minimum 5 years of experience; Supervisory status preferred.

This is a commissioned position, based on fees collected

What PCC provides:

PCC has served the Dallas Metroplex for almost 50 years. The Center provides a thriving, collegial practice of LPCs, LMFTs, LCSWs, and Licensed Psychologists in which a complete and professional business infrastructure is provided.
