## GROW WITH OUR TEAM

Enjoy the best of both worlds  
in a family-friendly setting.

### The Center for Integrative Counseling and Psychology

Formerly Pastoral Counseling Center. New name. Same mission.

#### JOIN US AT THE CENTER

At The Center for Integrative Counseling and Psychology, clinicians have the best of both worlds – the freedom to grow a thriving practice in a flexible, fun team setting with one of the most respected centers in North Texas. Here, you are valued and supported with the freedom to find a healthy work/life balance.

For more than 50 years, The Center has been providing innovative counseling where people live, work, play, and pray. Work alongside the best and brightest, and participate weekly in group case consultation obtaining CEUs through strong clinical advancement trainings.

Masters' level practicum students, post-doctoral psychology residents, and those working on becoming LCSWs, LPCs, or LMFTs participating in The Center's Residency program receive supervision from clinicians credentialed as supervisors by their licensing body. You'll participate in weekly training that includes didactic presentations and case conceptualization presentations.

Our management and operations experts handle all marketing, billing and office needs. The Client and Clinician Services Team manages your scheduling, phone intakes, reception, insurance verification and electronic record keeping.

#### JUST A FEW OF THE BENEFITS THE CENTER PROVIDES:

- Practice liability insurance
- Matching 401(K)
- Credentialing for insurance panels and EAPs
- Social Security, Medicare and state unemployment taxes
- Merchant services fees for credit card payments (3%)
- Health insurance plan options
- Practice management software
- Testing/assessment instruments
- Professional office space and utilities
