

Registration Information

Order No.	3916809
Agency Name	Garland Behavioral Hospital
Job Title	Clinical Social Worker/Program Therapist
Job Description (including hours and responsibilities)	The Clinical Social Worker/Program Therapist performs social services functions to include assisting patients in meeting their biopsychosocial needs while enabling them to achieve their optimal level of emotional health. The social worker/therapist is responsible for providing basic consultation, psycho-social assessment, individual, group, and family therapy, participation in treatment team planning, discharge planning/case management services, crisis intervention and liaison services with referral sources and other departments within the hospital as needed. We are looking for a dynamic LMSW/LCSW/LPC to work full time on our adult male unit. The schedule is M-F 8-5. Each full time social worker is required to pick up one weekend day monthly with a flex day provided during the week.
Job Location	Garland, TX
Qualifications	Education: Master's Degree from an accredited college or university, in Social Work or a clinical related mental health field. Experience: Requires a minimum of one-three (1-3) years' experience in a psychiatric health care facility, with direct experience in family and group therapies, crisis intervention, and treatment skills; must have strong clinical assessment skills. Combination of education, licensure and experience and/ or student internship hours may be considered. License: Must possess a state licensure: LMSW, LCSW, LPC
