Order No.	3930632
Agency Name	The Council on Recovery
Job Title	Therapist
Job Description (including hours and responsibilities)	<p>Come join a team of clinicians who are passionate about treatment and recovery, who believe in a family-focused and strengths-based approach, and who understand that each person served is worthy of the highest quality of care possible. The Council on Recovery is a leading provider of education, prevention, intervention and treatment in the Greater Houston area. The ideal candidate will share these qualities and be committed to the same mission. The therapist will have the opportunity to utilize an array of therapeutic approaches while providing outpatient treatment services, individual services made available to the entire family unit and group therapy in the form of psychoeducation and process groups. With services tailored to the individual needs of each client and family, this role requires a dynamic individual committed to learning and growing their knowledge base to meet the expanding needs of our community. Therapists are asked to share their knowledge within the organization and externally through presentations and workshops, as well as via collaborations and care coordination within the community. The ideal candidate will bring talent, experience, and a growth mindset. They will be passionate about addiction, recovery and mental health and deeply committed to helping clients be their best selves. They will enter the space with flexibility, a willingness to go above and beyond, and a desire to help this program be the best that it can be for the team they share it with and the clients' they serve. Responsibilities include:</p> <ul style="list-style-type: none">• Empower clients and families via various therapeutic approaches creating a strong community of recovery• Individual,

	<p>group, and family therapy to individuals impacted by addiction; including within the adult outpatient treatment and after care programs • Treatment of substance use and addiction, via our Outpatient Treatment Programs • Networking and coordination of care within the community, to include involvement and sharing of knowledge in appropriate professional groups and through presentations and workshops • Supervision of interns/fellows, commitment to continuous expansion of personal learning, and sharing of knowledge internally and externally in an environment committed to the growth of substance use professionals • Committing to the success of this program holistically, from client care to strong healthy team dynamics to documentation Hours: Full time position, including evenings</p>
Job Location	Houston
Qualifications	<p>EDUCATION AND REQUIREMENTS • Master’s degree in counseling, social work, marriage/family therapy required • Current Licensure: LMSW, LCSW, LPC, LPCi (clinical supervisor a plus) • Experience providing therapeutic services, especially related to alcohol and drug use and mental health disorders with a diversity of populations • Specific experience and knowledge with children, adolescents, family treatment, parent coaching, and facilitating experiential groups KNOWLEDGE, SKILLS AND ABILITIES • Knowledge of clinical practices and treatment of substance use and mental health disorders • Knowledge of psychosocial issues, family systems, interpersonal dynamics, community resources, and treatment planning process • Strong written and verbal communication skills and cultural responsiveness for working with diverse populations and an array of collaborating organizations • Ability to plan dynamic educational and therapeutic experiences based on scientific principles • Ability to work within multiple systems simultaneously while maintaining boundaries and accountability</p> <ul style="list-style-type: none"> • Excellent organizational, time management and self-care skills • Dynamic, engaging, passionate leaders in the field of treatment
