Order No.	3934490
Agency Name	Frontera Healthcare
Job Title	Director of Behavioral Health
Job Description (including hours and responsibilities)	<p>Seeking full-time behavioral health director for a rural community health center on the western edge of Central Texas. The health center includes 5 clinics providing integrated medical and behavioral health services, in Junction, Mason, Fredericksburg, Brady, and Menard. A qualified candidate will hold a valid Texas mental health licensure with board approved supervisor status: Clinical Social Worker Supervisor (LCSW-S), Licensed Professional Counselor Supervisor (LPC-S), or Licensed Marriage and Family Therapist Supervisor (MFT- S). The behavioral health director is responsible for the success and growth of the behavioral health program of the health center. This includes the clinical and administrative supervision of behavioral health staff, and collaboration with medical, dental, and administrative staff. The director ensures that appropriate behavioral health services are available to clients. This position also involves the provision of community based integrated behavioral health services: including assessment, diagnosis, and treatment of mental and emotional disorders, including mental health and substance use issues, health behaviors (including their contribution to medical illnesses), life stressors and crises, stress-related physical symptoms, and ineffective patterns of health care utilization; psychoeducational techniques aimed at the prevention of such disorders; collaborative care with other healthcare professionals; and consultation to individuals of all ages, couples, families, groups, and organizations. • Provide oversight of behavioral health staff • Analyze data regarding productivity and effectiveness • Identify gaps in clinical capability and facilitate corresponding trainings, consultations, and supports</p>
