Order No.	3948668
Agency Name	DePelchin Children's Center
Job Title	Staff Clinician I, Parent Education
Job Description (including hours and responsibilities)	<p>Position Description: This position is provided with grant funding through August 31, 2021, with anticipated renewal for September 1, 2021 thru August 31, 2026. The Staff Clinician I will conduct intake, assessment, construct treatment plans, provide supportive counseling and teach parenting using the Triple P Model of Parenting curriculum and will also work closely with the surrounding community providing advocacy and referral services. The purpose of this program is to prevent child abuse and neglect by decreasing the risk factors that contribute to child maltreatment and increasing the protective factors that prevent maltreatment. Currently, DePelchin has implemented a remote work from home plan through June 30, 2021. This position is currently providing these services on a virtual platform. Primary Responsibilities: Provide home-based intake and assessment activities that will assist clients and their family in determining which services are most appropriate for them in developing an individualized service and/or treatment plan. Utilizing client and family input, develop a plan of service that selects and outlines an array of services and interventions from within DePelchin and the community that will address the needs formulated in the assessment process. Assist clients with referrals to other community services identified in the plan of service and provide advocacy for individual clients and their families to receive entitlements or needed services. Maintain current records, meeting all recording requirements of the agency. Maintain monthly statistics and data needed for program accountability and billing for client services as applicable.</p>
